The Gospel In Parable:

The Gospel in Parable John R. Donahue, 1988-01-01 Professor Donahue here argues that the parables of Jesus offer a Gospel in miniature while at the same time giving shape direction and meaning to the Gospels in which they appear To study the parables of the Gospels is to study the gospel in parable After surveying recent discussions of parable metaphor and narrative Donahue examines and interprets the parables of Mark Matthew and Luke as texts in the context of the theology of each of these Gospels Finally he outlines what The Gospel in Parable looks like and offers suggestions for the proclamation of parables today **The Gospel in Parable** John R. Donahue (s.j.), 1988 *The Parables in the Gospels* John Drury, 1985

Out of the Treasure Jan Lambrecht, 1992 Out of the Treasure is a major new study of the parables of Jesus as these are presented in the Gospel according to Matthew It grapples with what these fascinating yet familiar tales meant for Jesus own audience for Matthew s readership and for the men and women of our own times Jan Lambrecht S J is Professor Emeritus of New Testament and former dean 1985 1990 of the Faculty of Theology of the Catholic University of Leuven Since 1984 he has been a member of the Pontifical Biblical Commission His last book length publication on the parables was Once More Astonished The Parables of Jesus New York Crossroad 1981 *Example Stories* Jeffrey Tucker, 1997-01-01 This study challenges the popular notion that four parables in the Gospel of Luke the Good Samaritan the Rich Fool the Rich Man and Lazarus and the Pharisee and the Toll Collector are example stories A wealth of scholars views on the example stories are scrutinized with Adolf Jnlicher s pivotal definition receiving special attention The various criteria used to distinguish between parable and example are assessed from both a literary and a rhetorical perspective in order to ascertain what if any formal features are peculiar to the example stories Tucker shows that attempts to differentiate the example stories from other narrative parables attributed to Jesus in the Synoptic Gospels are largely unsuccessful The result is that these four parables in the Gospel of Luke can be seen for what they really are [And How Shall You Know All Parables](#) John Wedlock, 2017-09-12 Jesus said in Mark 4 13 And He Jesus said to them the disciples Do you not understand this parable How will you understand all the parables Is Jesus suggesting that the understanding of this parable was necessary for the understanding of all that He was teaching This book provides for an understanding of the Parable of the Sower and also a means for understanding the Gospels Acts based on the thematic context of that parable The themes of each of the Gospels Acts are identified based on the nature of the soils in the parable A direct connection is made between the people type soils of the Parable of the Sower and each of the themes of the Gospels Acts These connections provide for a deeper understanding of the Gospels Acts and for a clearer insight into how these Scriptures apply to everyday life The progressive nature of these connections is presented and it forms a user friendly framework for spiritual maturity A study guide for the each of the Gospels Acts based on the themes of the Parable of the Sower is also included [The Parables of Jesus](#) Richard Gribble, 2000-06 The parable is the most well known literary form presented in the gospels And since narrative or story

sermons are such a prominent element in the contemporary pulpit pastors are preaching on the parable texts more frequently than ever Richard Gribble thoroughly examines each of the parables appearing in Cycle C of the Revised Common Lectionary Each analysis includes discussion of the theme spiritual food for the journey application of the parable to contemporary life openings for preaching points of challenge and questions to ponder exegesis and explanation of the parable context of the parable These studies will be a classic resource for preaching or useful for Bible study and inspiration The author of eight books and over 100 articles Richard Gribble CSC is the acting superior at Moreau Seminary at the University of Notre Dame Father Gribble earned his Ph D from The Catholic University of America and has also earned degrees from the United States Naval Academy the University of Southern California and the Jesuit School of Theology at Berkeley

An Introduction to the Parables of Jesus Robert H. Stein, 1981-01-01 A clear and thorough introduction to the best known of Jesus teachings this much needed text examines what parables are why Jesus taught in parables and the purpose and place of parables in the Gospel narratives Invaluable for the beginning seminary or college students and for church study groups this enlightening work reveals the meaning of the parables when they were first given their meaning for the Gospel writers and their meaning for us today [Matthew's Parables](#) Warren Carter, John Paul Heil, 2023-11-16 This book presents a comprehensive treatment of all of the parables in the Gospel of Matthew It discusses the significance of each parable as it is heard within the progression of the narrative Rather than focusing on the intent of Jesus the parable teller or of Matthew their redactor it is concerned with what happens as the authorial audience interacts with the parables

The Power of Parable John Dominic Crossan, 2012-03-06 In 1969 I was teaching at two seminaries in the Chicago area One of my courses was on the parables by Jesus and the other was on the resurrection stories about Jesus I had observed that the parabolic stories by Jesus seemed remarkably similar to the resurrection stories about Jesus Were the latter intended as parables just as much as the former Had we been reading parable presuming history and misunderstanding both from The Power of Parable So begins the quest of renowned Jesus scholar John Dominic Crossan as he unlocks the true meanings and purposes of parable in the Bible so that modern Christians can respond genuinely to Jesus's call to fully participate in the kingdom of God In The Power of Parable Crossan examines Jesus's parables and identifies what he calls the challenge parable as Jesus's chosen teaching tool for gently urging his followers to probe question and debate the ideological absolutes of religious faith and the presuppositions of social political and economic traditions Moving from parables by Jesus to parables about Jesus Crossan then presents the four gospels as megaparables By revealing how the gospels are not reflections of the actual biography of Jesus but rather misinterpretations by the gospel writers themselves Crossan reaffirms the power of parables to challenge and enable us to co create with God a world of justice love and peace

The Parables of the Gospels and Their Meaning of Today Hugh Martin, 2007-01-01 There are many books about the parables but this one which shows wide reading and a full acquaintance with recent scholarship will certainly be as the author hopes of real service to students

and teachers It is indeed admirably done Dr Martin expounds very clearly the background of each parable and its immediate purpose and when he turns to discuss its application to modern conditions does so with considerable insight and a vivid sense of their application to the ethical problems with which most of the modern world is concerned Originally published in 1937 Contents Include The Rock and the Sand The Two Debtors The Shower The Tares The Draw Net The Seed Growing Secretly The Mustard Seed The Leaven The Hid Treasure The Pearl The Unforgiving Debtor The Good Samaritan The Friend at Midnight The Unjust Judge The Empty House The Rich Fool The Barren Fig Tree The Marriage of the King's Son The Great Supper The Wedding Garment The Lost Sheep The LOST Coin The Prodigal Son The Unjust Steward Dives and Lazarus Unprofitable Servants The Pharisee and the Publican The Labourers in the Vineyard The Talents The Pounds The Two Sons The Wicked Husbandmen The Ten Virgins The Sheep and The Goats *Parables for Preachers: Year B. The Gospel of Mark* Barbara E. Reid, 1999 The parables of Jesus are puzzling sayings and stories with world transforming potential Parables for Preachers offers an understanding of how parables work and a fresh variety of possible meanings not only for Jesus's original audience and for the early Christians for whom Matthew Mark and Luke wrote but also for contemporary Christians as well The Gospel parables are analyzed in the order in which they appear in the Lectionary making this book an indispensable resource for preachers teachers catechists liturgy planners and Bible study groups Barbara Reid is Professor of New Testament at Catholic Theological Union Chicago She is the author of Matthew in the New Collegeville Bible Commentary series as well as Choosing the Better Part Women in the Gospel of Luke both published by Liturgical Press **Servant and Son** J. Ramsey Michaels, 2017-04-25 First published in 1981 Servant and Son attempts to look simultaneously at Jesus as the subject of our four canonical Gospels and as a figure at times the main figure in his own parables The parables are understood not as fictions he created but as stories his Father told him revelations received from God in his capacity as a prophet From these parables he emerges as servant of God Son of God and much more anticipating in a variety of ways the Jesus of the four Gospels *The Language of the Kingdom and Jesus* Jacobus Liebenberg, 2001 This study interprets Jesus parables and the sayings tradition regarding the Kingdom of God from a cognitive linguistic understanding of metaphor It also shows what contribution the theory of metaphor can make when the parables and aphorisms are studied in research on the historical Jesus The metaphoric nature and polyvalency of the parables and aphorisms of the Jesus tradition undermine their value for research on the historical Jesus The author doubts whether the parables and sayings of the Jesus tradition can be employed to reconstruct the historical Jesus **The way home, or, The gospel in the parable** Charles Bullock, 1858

Twenty Parables of Jesus in the Gospel of Luke John J. Kilgallen, 2008 This book hopes to bring out the teachings of Jesus parables with particular attention paid to the immediate contexts in which Luke puts his parables These contexts sometimes only just a sentence and sometimes originating from Jesus as well as from Luke give the reader an essential guide to the sense of the parables The nature of a parable or comparison is by general agreement of exegetes very often open to more

than one interpretation It is in this sizing up the inner possibilities of the parables to have them speak winningly to their audiences together with the freedom belonging to an author and his desire to remain faithful to the mind of Jesus that the author strives to interpret Luke's presentation of a large number of Jesus parables

[The Parables of Jesus](#) Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached

Seeing and Believing Barbara M. Nunns, 2011 Surprising as it may seem parable is dominant in the fourth gospel although there are no story parables as in the synoptic gospels Often it is the contemporary culture customs religious life and the general background of first century Israel highlighting the parable or giving greater understanding of the spiritual These details are of particular interest often forming the major part of the chapter because of their spiritual relevance Seeing and Believing commences with four chapters which clarify the concept of parable the gospel is then unfolded in the many parables each with its own chapter in the gospel order with a brief introductory heading

Sowing the Gospel Mary Ann Tolbert, 1996-01-01 Mary Ann Tolbert George H Atkinson Professor of Biblical Studies at Pacific School of Religion in Berkeley California offers one of the freshest interpretations of Mark's Gospel I have ever had the privilege to read It marks a milestone in the recent history of Markan research Jack Dean Kingsbury
