

The Great Gatsby | F. Scott Fitzgerald

Explore the ways in which Fitzgerald's striking description makes Gatsby's party a significant moment in the novel (Chapter 3 first 6 paragraphs)
[20 marks]

The Great Gatsby by F. Scott Fitzgerald is a poignant tale of love, betrayal and the corruption of the American Dream. The titular character plays a major role as it is his parties that draw the readers as well as the narrator into the novel.

Chapter 3's introduction is a striking change from the events of the conclusion of Chapter 2, which involved a fight between Tom and his mistress, Myrtle. This sudden variation emphasizes the observant tone of the narrator, Nick Carraway as instead of dwelling upon the events of Chapter 2, he moves on quickly to narrate Gatsby's extravagant party and this scene that allows the readers to exchange the drama of Chapter 2 for the elegance of Gatsby's social gathering. This is essential to the overall plot development of the entire novel as Fitzgerald successfully juxtaposes numerous situations together and allows a fast paced climax to enthrall the reader.

The narrating manner is important to analyse to discover the significance of Gatsby's party as the reader is influenced by this tone. Carraway's superiority complex is discovered when he compares the party goers as "moths among the whispering and the champagne and the stars." This disdain highlights the overly judgmental attitude of the narrator. The comparison is repeated again in the passage as he compares a vehicle to a "brisk yellow bug." These comparisons make the passage more significant as they allow the reader to understand the mood of the narrator as he visits Gatsby's party for the first time – and this mood is important as it is essentially the veil covering the reality of the parties, to how Carraway perceives them. Condescension is not the only effective tone employed by Fitzgerald, the recurrent sarcasm of Carraway is also seen when he needlessly says, "if a little button was pressed two hundred times by a butler's thumb" with scorn. He effectively sneers at the pointlessly joyous party goers who's "laughter is easier minute by minute" and the "enthusiastic meetings between women who never knew each other's names." Carraway's contempt at the overly cheery party goers stresses the theme of materialism but rather hypocritically, as Carraway tries to distance himself from the materialistic, but both previous and later chapters are quick to identify him as one of the culprits.
