

THE GROWING DARKNESS

The background of the entire image is a dark, atmospheric painting. It depicts an industrial landscape, possibly a factory or a city at night. There are several tall smokestacks or chimneys, some of which are emitting a thick, dark smoke or steam that rises into the air. The buildings are dark and somewhat indistinct, with some lights visible. The overall color palette is dominated by dark greens, browns, and greys, creating a somber and mysterious mood. The lighting is low, with some highlights on the smoke and the structures, but the scene is mostly in shadow.

Alta: Trials R.L. Robinson, 2023-10-06 From her seat above the world the goddess watched a rotting sea of boiling flesh spill from the dark corners of her lands gathering and melding into a horrid beast with a single purpose to drown her lands in suffering The goddess leaned forward in her seat looking down on her world moving her vision back and forth along the endless ever forking stream of time searching intensely for a break in her protections A place this creature could have exploited to get past her veil and onto Alta hoping she would be able to seal it preventing what was coming She found nothing This darkness would make it past her defenses She had to accept that and focus on what to do next What could she do to save her world The answer came quickly closely followed by a commingling of anger and disappointment What she had to do was clear she would need to act from within the veil It was the only way to save Alta It was also impossible By her own law the goddess couldn't intervene directly in matters that were within the veil Leaving her no choice She needed a surrogate A creature that would wield a fraction of her divinity and be reborn in her world to stand against this darkness It was her only choice It also made her sick to think of In a flash she conceived of a better idea One that wouldn't put her power into unworthy hands Her vision switched to a world barren of magic and gods to find what she needed Her sight settled on a nameless mortal A mortal whose hands were drenched in blood and whose mind was broken beyond repair His life was meaningless and his soul would be damned in any just world making him perfect The goddess sat back in her throne and put her plans into motion The trial of Alta had begun

The Making of A Man Michael Norman,2017-11-02 In Genesis 1 26 God said Let us make man There are many opinions on who God was speaking to We must determine the following Is the Holy Spirit necessary in the making of a man Is the making of a man as defined by the scholars of Funk let us reason and think and look very close to formulate a conclusion looking at the results history now affords us Biblical principles aside most would agree man has the ability to apply the wisdom needed from the knowledge gained in his own little world or does he Although as a society we have chosen to throw the making of a man to the wind and a willingness to allow many to just fall by the wayside ignoring and changing the actual definition Can we now individually change our direction and set standards back in society Can we attain the biblical understanding of a real man Let us take a close look at a couple of men one being this man called Jesus who was said to have been a perfect man Although his devotion and attentiveness as a man to deity was his focus making it difficult to separate the two it is his methods and actions his character and integrity his moral standards and judgments we will examine Our hope is to separate the man from his spiritual philosophy which is the inquiry into the most comprehensive principles of reality To do just that and gain the principles morals and character that defines the man Our focus will be on the man from the standpoint of a man as defined by man Our hope is to shed some light
