The Harlot Bride:

The Harlot and the Bride Daniel E Schillinger,2017-08-16 The Book of Revelation presents the people of God as a bride and the pagan people of the world as a harlot The same images are used of their respective places of abode The contrast between the earthly city as harlot and the heavenly city as bride is obvious With twenty nine years of practical experience in local ministry the author fills the niche for people needing a concise readable and practical commentary on the Book of Revelation This volume conveys the true structure and meaning of God s message to John and the churches and makes it easily available to teacher and student alike If you re looking for clarity brevity and readability written in a scholarly manner this is the book for you The Bride and the Harlot and the Last Times Sigurd Bratlie,1967 **A Harlot Bride** J.R. Manuel,2024-05-09 In the ancient Hebrew writings there is an oddity Very few women are mentioned Fewer still have a lineage that can be traced Rahab the harlot is among those This is a story of what may have been On that fateful day when Rahab protected the spies she could not have imagined what would happen next In modern terms she was going from Amsterdam to the Amish Rahab would exit a culture where her profession was part of the mainstream to a culture where it did not exist She leaves a city where she had access to the palace for a place where the best structure was a tent Rahab was in for an emotional roller coaster So enjoy the ride and if you pick up a tidbit that benefits you along the way the author would be extremely pleased **The Altar** Jeremiah Johnson,2022-01-18 Burning with passion and zeal for Jesus and driven by a vision to see the church revived pastor and author Jeremiah Johnson offers a prophetic plea to the people of God Come to the altar Purify yourselves for the coming Bridegroom *Revelation* Catherine Gunsalus González,1997-01-01 Originally written to be read aloud in church and to offer comfort and hope to those struggling to be faithful in troubling times Revelation sparks great interest with its mysterious symbols of numbers and beasts Here two foremost historians offer readers a highly accessible commentary perfect for Bible study leaders Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups *The Harlot of Babylon and the Bride of the Lamb* ,19?? *The Power of Consecration* Jeremiah Johnson,2019-08-20 You have been set apart for such a time as this God wants to perform wonders and great exploits through a holy set apart people The question is have you given your life completely to the Lord and His purposes This level of commitment and consecration comes only by having a prophetic vision of the returning Jesus As God s people give **The Marriage of the Bride of Christ** Sharon Hanson,2006-11-01 This book deals with the third major encounter that a believer can have with God through the person on Jesus Christ The first encounter represents the way the second the truth and the encounter in this book represents the life of one who overcomes the flesh The Beast and the Bride Brad Molles,2004-11-01 An historical interpretation of Revelation covering the church age from the ascension of Christ to the

present day Amillennial in viewpoint this book examines other millennial ideas as well This book examines the historical identities of the Beast the Dragon Babylon the true church the Bride the Papacy the antichrist millennium Adam and the Woman Sandra King,2008 King looks to the Gospels to discuss Jesus second coming Christian **Chronicles of the End Times** Mark Davidson,2018-10-05 Mark Davidson author of Daniel Revisited has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In Daniel Revisited Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in Chronicles of the End Times chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What s the purpose of Daniel s Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy

Revelation James M. Hamilton Jr.,2012-01-31 In the book of Revelation God unveils the world as it really is identifying an unseen spiritual war and announcing a very real day of judgment We need to be convinced that Jesus is reigning as the risen King We need to have him speak to the situation in our churches We need to see how God will pulverize wickedness obliterate those who oppose him and set up his kingdom Revelation has exactly what we need Useful for personal study as well as for preaching and teaching Hamilton even includes helpful charts and tables to highlight key themes and literary elements the thirty seven sermons in this volume have a clear structure introduction body and conclusion Hamilton successfully grabs the reader s attention raises awareness of a real need and states the main point of the sermon text In addition to explaining the meaning of each passage Hamilton connects the main ideas to applicable analogies and actionable points Revelation is a prophecy of epic proportions and Hamilton invites readers to love God and his people by expositing this revelation of Jesus and to say along with the apostle John Come Lord Jesus Part of the Preaching the Word series *The Benares Magazine* ,1850 **Between the Cross and the Throne** Matthew Y. Emerson,2016-05-20 Revelation is often considered one of the most confusing books of the Bible and consequently it s regularly overlooked or ignored But no longer

In *Between the Cross and the Throne* Matthew Emerson walks us through the book of Revelation unpacking its complex imagery and pointing out major themes In conversational tone he reminds us that Christ died but he has risen The Lord reigns but evil persists We live between Christ s ascension and his final conquest and that should give us hope

Christianity and Rabbinic Judaism Jonas Alexis,2013-01-10 Our way must be never knowingly support lies Having understood where the lies beginstep back from that gangrenous edge Let us not glue back the flaking scale of the Ideology not gather back its crumbling bones nor patch together its decomposing garb and we will be amazed how swiftly and helplessly the lies will fall away and that which is destined to be naked will be exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaires self appointed cheerleaders such as Diderot Helvitius dHolbach DAlembert Lametrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lametrie produced *Man A Machine* and an entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying *crasez linfme* Rousseau of course was a disciple of Voltaire and declared that Voltaires work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross

Revelation and the End of All Things Craig R. Koester,2018-05-10 Since its first publication in 2001 *Revelation and the End of All Things* has been a highly readable guide to one of the most challenging books in the Bible Engaging the questions people most frequently ask about Revelation and sensationalistic scenarios about the end of the world Craig Koester takes his readers through the entirety of Revelation offering perspectives that are clear and compelling In the second edition Koester provides new insights from recent scholarship and responses to the latest popular apocalyptic voices Study questions make this new edition ideal for use in classrooms and study groups *Revelation and the End of All Things* offers an accessible engaging and profoundly hopeful interpretation for students and general readers alike
