Flannery O'Connor, Hermit Novelist Richard Giannone, 2012-09-07 2001 Choice Outstanding Academic Title A compelling study of O'Connor's fiction as illuminated by the teaching of the desert monastics Lord I'm glad I'm a hermit novelist Flannery O'Connor wrote to a friend in 1957 Sequestered by ill health O'Connor spent the final thirteen years of her life on her isolated family farm in rural Georgia During this productive time she developed a fascination with fourth century Christians who retreated to the desert for spiritual replenishment and whose isolation suffering and faith mirrored her own In Flannery O'Connor Hermit Novelist Richard Giannone explores O'Connor's identification with these early Christian monastics and the ways in which she infused her fiction with their teachings Surveying the influences of the desert fathers on O'Connor's protagonists Giannone shows how her characters are moved toward a radical simplicity of ascetic discipline as a means of confronting both internal and worldly evils while being drawn closer to God Artfully bridging literary analysis O'Connor's biography and monastic writings Giannone's study explores O'Connor's advocacy of self-denial and self-scrutiny as vital spiritual weapons that might be brought to bear against the antagonistic forces she found rampant in modern American life

Will Cuppy, American Satirist Wes D. Gehring, 2013-10-30 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S.J. Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884-1949 This factual funnyman's metier is dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as How to Be a Hermit 1929 How to Tell Your Friends from the Apes 1931 and The Decline and Fall of Practically Everybody 1950 This biography doubles as a critical study of a satirist whose shish-kebabing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book-length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona

Did Adam and Eve Have Navels? Martin Gardner, 2000 A witty critique of New Age beliefs and scientific fraud Topics debunked include paranormal events Freud's theory of dreams shamanism and UFOs As well as providing laughter for
