The Ice Garden:

The Ice Garden Guy Jones, 2019-02-26 Allergic to the sun Jess sets out to explore the world she longs to be a part of by night But what she discovers is a beautiful impossibility a magical garden wrought of ice Jess's imagination has always been her best friend She's trained it to feel as real as it possibly can especially in the stories she writes for Davie the young boy in a coma who is her only friend But nothing is as real as the world she'll find One night tired of peeking at the other children beyond her curtained house she sneaks out to explore the empty playground she's longed to visit Beyond she discovers a garden made entirely of ice This is her place a Narnia with flying elephant mice and ice apples with shining gold liquid inside But Jess soon discovers that she's not alone And her presence there could be destroying its very existence The Ice Garden Moira Crone, 2014 In a small 1960s Southern town ten year old Claire struggles to protect herself and her baby sister from their mother's mental illness *The Ice Garden and Other Stories* Eric Brown, 2019-08 The Ice Garden Liina Liblikas, 2024-12-21 In *The Ice Garden* readers are invited to wander through a realm where nature's cold beauty intertwines with the warmth of human emotion This evocative collection of poems captures the stark contrast between icy landscapes and the tender heartbeats of those who inhabit them Each verse glistens like frost reflecting moments of solitude longing and introspection while celebrating resilience in the face of chilling circumstances Through vivid imagery and haunting melodies the poet weaves together themes of love loss and the transformative power of fragility *The Ice Garden* becomes a metaphorical sanctuary where the delicate petals of hope bloom amid the snow capped silence This enchanting journey through the frozen expanse invites readers to uncover the hidden warmth beneath the surface reminding us that even in the coldest of gardens life can flourish against all odds *The Ice Garden* W.
