The Inheritors English Edition:

The Secret Agent Joseph Conrad, 1990-05-25 The Secret Agent 1907 is a compelling tale of espionage and terrorism set in Edwardian London Ironically subtitled A Simple Tale it paints a terrifying portrait of revolutionaries and anarchists whose personal lives are as barren and futile as their public acts of violence It concludes with the unwitting accomplice of a would be terrorist blowing himself to bits with his own bomb the terrorist s subsequent murder by his own wife and the wife s own suicide This new edition is based on a painstaking comparison of the original manuscript of the work with its first truncated appearance in the American magazine Ridgeway s A Militant Weekly for God and Country and with all subsequent book form publications overseen by Conrad himself The result is a new text purged of the printers errors and editorial interventions that have been reproduced in all previous printings There is also a critical introduction an essay on the text a textual apparatus and helpful explanatory notes Joseph Conrad David J. Supino, 2022-08-13 David J Supino traces in unprecedented detail

the lineaments of Joseph Conrad s authorial career and the fortunes and misfortunes of his publishers on both sides of the Atlantic This work is a model of the integrative scholarly method combining close bibliographical scrutiny of particular textual artifacts with archival recovery of book historical information in as much detail as the surviving documents allow The book is essential reading not only for students of Conrad but also for all those who wish to understand the publishing history of this era
