Domestic Violence: Cross Cultural Perspective M. Basheer

Ahmed M.D., 2009-07-28 Domestic violence is a global phenomenon occurring among people of all races, ages, social, economic status, educational, and religious backgrounds. Family roles, values, customs, and expectations are deeply rooted within a person's culture and religious traditions. As our society becomes increasingly multi-cultural, it is critical that we understand domestic violence within a cross-cultural context. Such an understanding will enable us to develop culturally appropriate interventions in addressing the issue of domestic violence in our communities. Many community and religious leaders are not familiar with the incidence of domestic violence among immigrant populations and lack the knowledge of the effect of domestic violence on the victims, their children, the legal implications, and the resources available for them. This book is written for health professionals, religious, and community leaders in a simple language to make them familiar with some unique features of people following different religions and cultures. *The Complete Guide to Article Writing* Naveed Saleh, 2014-01-14 Master the art of article writing. Surviving Parental

Alienation Amy J.L. Baker, PhD, Paul R. Fine, LCSW, 2014-04-04 Half of all marriages end and when they do most parents hope to achieve a good divorce in which they can amicably raise their children with their former spouse Unfortunately about 20% of divorces are high conflict involving frequent visits to court allegations of abuse and chronic disagreements regarding parenting schedules In response to this conflict some children become aligned with one parent against the other even a parent who has done nothing to warrant the hostile rejection of their formerly loving children These targeted parents suffer from the loss of time with their children the pain of watching their children become distant even cruel and the uncertainty of not knowing if and when their children will come back to them These parents are on a painful journey with an uncertain outcome Surviving Parental Alienation fills the tremendous need for concrete help for these parents Too often parental

alienation stories that are shared by word of mouth on the internet or in books depict unending pain and frightening outcomes Surviving Parental Alienation provides true stories and information about parents who have reconnected with their lost and stolen children and offers better insight and understanding into what exactly parental alienation is and how to handle it Targeted parents are desperate to be understood and to find cause for hope even as they search for answers Surviving Parental Alienation is where they can start to find this hope Wise Effort Diana Hill, PhD, 2025-09-23 A science backed approach to shift your most precious resource your energy to stop feeling depleted and reconnect with your inherent genius Many of us misdirect our energy doing too much and feeling like it is not enough Clinical psychologist Dr Diana Hill offers a method to reclaim your energy and revitalize your relationships health work and community Instead of more productivity tips Dr Hill invites us to use Wise Effort to connect with our genius energy our unique and inherent strengths that show up in our talents and gifts It propels you forward when used in the right amount and toward your values When we misdirect this energy our very genius becomes our problem Think of the super helper who supports everyone else but doesn't help themselves or the high achiever at work whose patterns backfire in relationships Misguiding your energy burns you out and leaves you depleted Understanding and working wisely with your genius energy empowers you to reclaim it as a life giving force Integrating science backed practices from Acceptance and Commitment Therapy ACT with contemplative and body based wisdom you will learn how to guide your genius energy wisely in multiple areas of your life You will get curious about what's keeping you stuck open up to the difficult thoughts and feelings that limit you and focus your energy where it matters most With the Wise Effort method the genius at the root of your problems becomes your solution to feeling connected brave and truly alive
