imposed from one generation to the next This book is designed to reverse at the root the thinking that binds too many Blacks in their place Many would choose to condemn this work because of some of the content and its source but they don't know the history and they don't realize the psychological damage done to Blacks living under racism **American Jihad** Steven Barboza, 1995-03 In this Studs Terkel like approach to the wide variety of people who practice Islam in America some of the most famous Muslims after Malcolm X tell their own stories in their own words Contributors include Louis Farrakhan Kareem Abdul Jabbar and May May Ali Muhammad Ali's daughter Illustrations
