charming simplicity *The Treasure of My Heart* Linda Lindor,2012-10-26 The land was Costa Rica a place memories The deep green silhouette of two giant mountains lay against the peaceful sky of late afternoon The sunken valley cradles tales of many adventures and memories The place is encamped by a range of mountains that lead to the pacific but to follow her trail the traveler is indeed challenged by her never ending peaks Not far to the east there is a volcano Some say that they have seen both the Pacific and the Atlantic oceans from her heights a sight to behold only on a bright cloudless day This giant forms a picturesque backdrop for the great valley Into the hills one is drawn by the melody of a cascade whose song is thunderous in rainy winter months and yet gentle and soothing in the dry summer heat Then the once lush green carpet turns to gold Along the stream runs a path that leads from a small bathing pool created by a dam of logs to a rough cabin hidden in the woods The sounds of children daily harmonize with the rivers tune especially in the heart of the summer vacations The sounds were of joy a happy song They were the voices and laughter of three delightful youths This story contains a secret code Can you find it You will need to look for clues as you read alongthink about the coin *The Daring Heart of David Livingstone* Jay Milbrandt,2014-09-30 The captivating untold story of the great explorer David Livingstone his abiding faith and his heroic efforts to end the African slave trade Saint Missionary Scientist Explorer The titles given to David Livingstone since his death are varied enough to seem dubious and with good reason In view of the confessions in his own journals saint is out of the question Even missionary is tenuous considering he made only one convert And despite his fame as a scientist and explorer Livingstone left his most indelible mark on Africa in an arena few have previously examined slavery His impact on abolishing what he called this awful slave trade has been shockingly overlooked as the centerpiece of his African mission Until now *The Daring Heart of David Livingstone* tells his story from the beginning of his time in Africa to the publicity stunt that saved millions after his death *The Wounded Heart* Dan Allender,2014-02-27 For those who have experienced childhood sexual abuse and those who love and care for them *The Wounded Heart* offers a tender compassionate window into the psychological effects of abuse and the theological foundations for healing Thirty years ago with great courage and vision Dan Allender brought Christians to the table to acknowledge understand and help victims heal from their experience of the evil of sexual abuse His work continues to help victims and those who love them to honestly acknowledge their abuse understand the unique challenge of repentance for victims of abuse and learn to love boldly in defiance of their trauma Ultimately Dan offers the bold assurance to sexual abuse victims that even they can find their way to joy and hope in the comforting embrace of a good God *The Wounded Heart* has sold over 400 000 copies and has been the first book family friends counselors pastors and victims have turned to in search of Christian answers to the calamity of sexual abuse With a new introduction reflecting on the ongoing importance of the book and a companion workbook for personal and group recovery *The Wounded Heart* continues to offer an urgently needed word of grace in a world ravaged by sexual abuse
