TRULY thoughts are things and powerful things at that when they are mixed with the definiteness of purpose persistence and a BURNING DESIRE for their translation into riches or other material objects A little more than thirty years ago Edwin C Barnes discovered how true it is that men really do THINK AND GROW RICH His discovery did not come about at one sitting It came little by little beginning with a BURNING DESIRE to become a business associate of the great Edison Somewhere as you read the secret to which I refer will jump from the page and stand boldly before you IF YOU ARE READY FOR IT When it appears you will recognize it Whether you receive the sign in the first or the last chapter stop for a moment when it presents itself and turn down a glass for that occasion will mark the most important turning point of your life Remember too as you go through the book that it deals with facts and not with fiction its purpose being to convey a great universal truth through which all who are READY may learn not only WHAT TO DO BUT ALSO HOW TO DO IT and receive as well THE NEEDED STIMULUS TO MAKE A START IN EVERY chapter of this book mention has been made of the money making secret which has made fortunes for more than five hundred exceedingly wealthy men whom I have carefully analyzed over a long period of years The secret was brought to my attention by Andrew Carnegie more than a quarter of a century ago The canny lovable old Scotsman carelessly tossed it into my mind when I was but a boy Then he sat back in his chair with a merry twinkle in his eyes and watched carefully to see if I had brains enough to understand the full significance of what he had said to me When he saw that I had grasped the idea he asked if I would be willing to spend twenty years or more preparing myself to take it to the world to men and women who without the secret might go through life as failures I said I would and with Mr Carnegie's cooperation I have kept my promise This book contains the secret after having been put to a practical test by thousands of people in almost every walk of life It was Mr Carnegie's idea that the magic formula which gave him a stupendous fortune ought to be placed within reach of people who do not have time to investigate how men make money and it was his hope that I might test and demonstrate the soundness of the formula through the experience of men and women in every calling
