The Hero Reloaded Rosario López Gregoris,Cristóbal Macías Villalobos,2020-03-15 What was a hero in Classical Antiquity Why is it that their characteristics have transcended chronological and cultural barriers while they are still role models in our days How have their features changed to be embodied by comic superheroes and film How is their essence vulgarized and turned into a mass consumption

product What has happened with their literary and artistic representation along centuries of elitist Western culture This book aims at posing these and other questions about heroes allowing us to open a cultural reflection over the role of the classical world in the present its meaning in mass media and the capacity of the Greek and Roman civilizations to dialogue with the modern world This dialogue offers a glimpse into modern cultural necessities and tendencies which can be seen in several aspects such as the hero's vulnerability the archetype's banalization the possibility to extend the heroic essence to individuals in search of identities vital as well as gender or class identities In some products videogames heavy metal music our research enables a deeper understanding of the hero's more obvious characteristics such as their physical and moral strength All these tendencies contemporary and consumable contradictory with one another yet vigorous above all acquire visibility by means of a polyhedral vehicle which is rich in possibilities of rereading and reworking the Greco Roman hero In such a virtual and postmodern world as the one we inhabit it comes not without surprise that we still resort to an idea like the hero which is as old as the West

The Soul of Spider-Man Jeff Dunn,Adam Palmer,2011-08-31 What can you learn from Spider man What do you have in common with the most famous comic book super hero in history You might just be surprised From his transformation into a new creation to his struggles with forgiving those who have hurt him Spider Man s story offers a startling parallel to the miraculous and everyday experiences of those who follow Jesus Inspired by the stories and characters in three of the biggest box office smashes of all time The Soul of Spider Man zooms in beyond the special effects and big stars to examine the unexpected spiritual lessons spun into the background of the Spider Man films Readers will heed the warning against greed when they rewind the tragedy of the Green Goblin in the first Spider Man and will understand the importance of humility as they take a second look at the damage caused by Peter Parker s inflated ego in Spider Man 3 This fast moving entertaining take on the spirituality of Spider Man includes a group discussion guide for film clubs youth groups or young adult small groups *His Mighty Strength* Randy Frazee,2021-03-16 With warmth and biblical insight Frazee shows us how to rely on the power of the Holy Spirit just as Jesus did respond to God s voice in decisions big and small raise our expectations for how God s power can work through us and break free of addictions habits and destructive thoughts that hold us back The Bible promises us more than inspiration More than influence The Bible promises us access to the same power that raised Jesus from the dead So what keeps us from drawing on that incredible resurrection power in our daily lives In His Mighty Strength popular pastor and author Randy Frazee explores Jesus time on earth to uncover the amazing source of his strength Jesus continually sought direction from the Father and found the power to live the Father s will through the Holy Spirit He said yes to God every day of his earthly life and we can too His Mighty Strength reminds us that Jesus resurrection power is not wishful thinking or a poetic metaphor It s a real source of strength that we have access to right now And when we embrace

God's offering our lives will never be the same. This is not a watered-down self-help book; this is a powerful Gospel-centered guide to walking in the fullness of Christ. I challenge you to read this amazing book and accept the glorious gift of strength from Christ that enables us to live the abundant life God has promised us.
