

GERALD MOORE

THE UNASHAMED ACCOMPANIST

Witty observations on the trials and joys of an undervalued art—profusely illustrated at the piano.

This record casts a cheerful and illuminative beam of light not so much upon the trade of the accompanist as upon the art of music in general.

New York Herald Tribune (Herbert Goldschlager)

Such a highly educational pill could not have been more delightfully sugar-coated.

Hints on Singing Manuel Garcia, 1894 **The Pianomaker**, 1959 *The Cambridge Companion to the Lied* James Parsons, 2004-07-01

Beginning several generations before Schubert, the Lied first appears as domestic entertainment. In the century that follows, it becomes one of the primary modes of music making. By the time German song comes to its presumed conclusion with Richard Strauss's 1948 *Vier letzte Lieder*, this rich repertoire has moved beyond the home and keyboard accompaniment to the symphony hall. This is a 2004 introductory chronicle of this fascinating genre. In essays by eminent scholars, this Companion places the Lied in its full context at once musical, literary and cultural, with chapters devoted to focal composers as well as important issues such as the way in which the Lied influenced other musical genres, its use as a musical commodity and issues of performance. The volume is framed by a detailed chronology of German music and poetry from the late 1730s to the present and also contains a comprehensive bibliography.

Hamilton Harty Jeremy Dibble, 2013

An in-depth study of the life of Sir Hamilton Harty (1879-1941), pianist, composer and conductor of the Hall Orchestra, who arguably made Manchester the most important focus for music in Britain in his day. Sir Hamilton Harty (1879-1941) is best known as the conductor of the Hall Orchestra, who arguably made Manchester the most important focus for music in Britain in his day. This book chronicles and analyses Harty's illustrious career from his establishment as London's premiere accompanist in 1901 to his years as a conductor between 1910 and 1933, first with the LSO and then with the Hall, to his American tours of the 1930s. Tragically, Harty died from cancer in 1941 at the age of only 61. This book also looks at Harty's life as a composer of orchestral and chamber works and songs, notably before the First World War. Although Harty's music cleaved strongly to a late nineteenth-century musical language, he was profoundly influenced during his days in Ulster and Dublin by the Irish literary revival. A great exponent of Mozart and especially Berlioz, Harty was also a keen exponent of British music and an active supporter of American composers such as Gershwin. Harty's role in the exposition of standard and new repertoire and his relationship with contemporary composers and performers are also examined against the perspective of other important major British conductors such as Sir Thomas Beecham, Malcolm Sargent and Sir Henry Wood. Additionally, the book analyses the debates Harty provoked on the subjects of women, orchestral
