The Saint Within Us Alfred J. Harradine,2017-12-28 The Saint Within Us By Alfred J Harradine You will read how the saints lived their ordinary lives in extraordinary ways and how they examined themselves to be certain they were living in faith You will read how living a Life in the Spirit a personal relationship with Jesus continued to form and guide the saints and everyday people to experience the many unbelievable but ever so true miracles happening today in their lives You will come to understand the saints belief that everyone of us is called to be a child of God with truth as his or her guide love as his or her nourishment and peace as his or her rest You will learn how they shared the God and Jesus within them so others could experience His presence in them and so they too could give Him honor and praise You will learn how to live the Lord s Prayer they kingdom come now as it is in heaven You will not have to wait until you go to heaven You can experience and live that life now this day

Liberating Christianity Thomas C. Sorenson,2008-11-01 Christianity is in crisis in our North American context especially among the cultural elite and people with progressive views The reasons for the faith s loss of credibility have to do in large part with the dominant philosophical materialism of our culture and with the understanding of the faith almost universally held by Americans both inside the churches and outside them In this book Thomas C Sorenson calls this understanding Biblicism by which he means the belief that the Bible is to be understood only literally and that in one way or another its authority comes from its claimed origin with God Many enlightened people also

reject Christianity because the only Christianity they know is the judgmental socially conservative faith that the most vocal and visible advocates of the faith among us so loudly espouse This book offers a different understanding of the faith It begins with a discussion of the universal human experience of the spiritual dimension of reality It then discusses symbol and myth as the necessary language for communicating that experience The book shows that all human experience is necessarily subjective and that religious truth is thus also necessarily subjective Therefore religious truth is relative not universal and absolute The work argues that the Bible is a human work expressing its authors experience of the divine The book then discusses other obstacles to faith and offers a different understanding of the issues they raise The book replaces the classical theory of atonement with a theology of the cross based mainly on the work of Douglas John Hall It redefines salvation as having to do with this life not with the afterlife It closes with a section that replaces the dominant social conservatism of popular Christianity with Jesus s teachings of nonviolence economic justice and radical inclusivity **Expectation**

Hangover Christine Hassler,2016-01-07 When our expectations are met and things go according to plan we feel a sense of accomplishment we feel safe in control and on track But when life does not live up to our expectations we end up with an Expectation Hangover This particular brand of disappointment is profoundly uncomfortable and can cost us valuable time and energy if not treated and leveraged effectively Christine Hassler has broken down the complex and overwhelming experience of recovering from disappointment into a step by step treatment plan This book reveals the formula for how to process Expectation Hangovers on the emotional mental physical and spiritual levels to immediately ease suffering Instead of wallowing in regret self recrimination or anger we can see these experiences as catalysts for profound transformation and doorways that open to possibility Often it is only when life throws us a curveball or several that we look in a different direction and make room for the kinds of unexpected things that lead more directly to a life we love By the time you finish this book you ll understand why your Expectation Hangover happened and have your own treatment plan a clear course of action to pursue your goals while preventing future disappointment **The Silent Soul** Brad Flinders,2020-10-28 The

Silent Soul presents a unique way of looking into a very different realm than the one we typically inhabit It describes a pathway into the hidden realm of non form that exists within each of us our vast inner universe and does so in a way that is easily accessible It describes in a straightforward manner how to gain access to the elusive Stillness within and how we can find the Divine in the process It unpacks how we find this magical path of discovery and how it can change our lives in a very tangible way resulting in the soul s impending transformation from caterpillar into butterfly [A Course in Miracles](#) Helen

Schucman, Scribe,2008-05 The only edition that contains in one place all of the writings that Dr Helen Schucman its Scribe authorized to be printed P 4 of cover **Video Movie Guide 1997** Mick Martin,Marsha Porter,1996 Rates more than 17

[I Am a Dirt Sandwich](#) Catherine J. Bowen, 2015-01-21. Do you ever feel like a dirt sandwich? All look at me. I've got it all together on the outside, while you're all if you only knew how bad I feel on the inside. Author Catherine Bowen wants you to know you are not alone. Find compassion and understanding in the real-life experiences of the author as she shares her own struggles to find hope, peace, and joy while fighting the pain of hidden depression, illness, and loss. Her personal relationship with our Savior is expressed with humor, honesty, and a faith that speaks to the human condition. You find yourself in her everyday challenges and may very well be drawn into a closer relationship with Jesus, too.

[What If God?](#) Mitch Woodard, 2016-08-24. What if God is designed to enable the reader who may see the Word of God as daunting or hard to understand? What if God is short and simple enough for the new believer to understand and be encouraged to dig deeper? Also, it is deep enough to be a benefit and growth tool for the maturing believer. The book consists of twelve chapters with fifty-two subjects addressed that relate to the majesty of God, the Christian life, and how this majestic being interacts and relates with his possessions. What if God is ideal for a small group Bible study and provides one year of weekly devotions? It can be used in whole or in part, as each chapter is adequate for study. However, the book is designed for one chapter to build on the other for a step-by-step journey into the wonders of God's Word.
