The Souls of W.E.B. Du Bois Edward J. Blum, Jason R. Young, 2009 This title presents new evaluations on the significance of Du Bois The Souls of W E B Du Bois is a collection of articles that treat Du Bois on the subject of religion by reintroducing his life and work to an audience that may be familiar with his work generally but may never have seen analyses of his study of religion Because the project includes articles that examine both Du Bois personal religious life along with his examination of religion the editors seek to add not only to our knowledge of Du Bois scholarly contributions but also hope to shed light on his personal life and religiosity Also in treating the biography and career of a thinker whose work covers much of the twentieth century the editors intend this work to address larger issues related to religion in the United States over the course of the century Just as Du Bois foresight predicted a century marred by racial violence so his varied explorations into the role of religion in the modern world anticipated the rise of contemporary tensions borne of the global circulation of corporate capital and commerce of religious fundamentalism and evangelical theology Indeed Du Bois identified the critical paradox and presumed contradiction between America's religious legacy built on morality justice and equality with the country's impending devotion to progress modernity and money Throughout his life and writing Du Bois explored the special tensions that erupted in a nation bowing before two gods Unfortunately scholarly treatment of both Du Bois critical writings on religion as well as his own personal religious development has been relatively lacking The soulful side of the man whose most famous work was about the souls of black folk in short has been largely neglected *Waters of Love* Desmond Tillyer, 2023-09-15 This is the untold story of an unknown illegitimate poor working class East London woman happily married with children and her friendship with a well known wealthy South African Jew who became a celibate Anglican priest also a doctor pathologist retreat conductor spiritual director and confessor author and deliverance minister with her mystical visions supporting his ministry and his pastoral care *The prince, a poem*, by G.D. G. D, 1880 **The Ridpath Library of Universal Literature** John Clark Ridpath, 1899 Habitations of the Veil Rebecka Rutledge Fisher, 2014-06-12 In *Habitations of the Veil* Rebecka Rutledge Fisher uses theory implicit in W E B Du Bois's use of metaphor to draw out and analyze what she sees as a long tradition of philosophical metaphor in African American literature She demonstrates how Olaudah Equiano Frances Ellen Watkins Harper Zora Neale Hurston Richard Wright and Ralph Ellison each use metaphors to develop a critical discourse capable of overcoming the limits of narrative language to convey their lived experiences Fisher's philosophical investigations open these texts to consideration on ontological and epistemological levels in addition to those concerned with literary craft and the politics of black identity Sorrow's Twin Rory Surtain, 2023-01-21 Sometimes everything goes according to plan I dread those moments Deep in the jungles on the realm's eastern border a demon slayer's campaign becomes more deadly than anyone imagined as he confronts a clan of heretics and their demonic overlords The

Demon in Exile Series offers a well paced mix of paranormal fantasy and military fantasy It s a dark witty blend of pain filled action and twisted drama in a series where the characters are as strong as they are flawed Appropriate for Adult New Adult and Young Adult readers Tears in the Graeco-Roman World Thorsten Fögen,2009 This volume presents a wide range of contributions that analyse the cultural sociological and communicative significance of tears and crying in Graeco Roman antiquity The papers cover the time from the eighth century BCE until late antiquity and take into account a broad variety of literary genres such as epic tragedy historiography elegy philosophical texts epigram and the novel The collection also contains two papers from modern socio psychology **Darkness Lies Heavy In the Heart** Joshua Pavelsky,2024-06-23
