A taste

The door slammed shut behind Caisor and suddenly Amie felt fear creeping up

There was nowhere else for her to go now

She could see it in his eyes that unfiltered sexual aggression that was growing

He was staring her down thinking hard about something

The music continued outside still loud from inside the room

No one else would be able to hear anything that happened

What are we doing in here she asked

I've come up here to make you mine he said

There's nothing you can do about it now

You're kidding right she asked

No Absolutely not

When he turned to face her she could see his erection through his jeans that enormous hardness promising both pleasure and pain

He seemed to be throbbing with it his heart beat causing the entirety of his body to twitch

Caisor please she begged aware of what was likely to happen next

The problem was the more that she fought the situation in her mind the more her body betrayed her

Being in this room with this stranger should have made her wilt instead she was growing wetter with every passing second changing into a thing that desired this fate

I can't resist you anymore he said and your resistance only makes me stronger

He was eying her like a piece of prey a timid thing that he would overtake like it was nothing

Where could she go

She was trapped with him

Excerpt

His nose cold against my skin excited me all over again and when I felt those long horrible teeth gently scratching me where he bit between my breasts ripping my shirt and tearing through the sports bra I always wore in the woods I felt myself lighten like I was floating in water

And aside from all that his scent leathery smoky earthy it made my thoughts start rattling in my head

Something about his pure raw animal masculinity drove me nuts

Lifting his paw from my shoulder he braced himself and yanked on my shirt rending it from where it was tucked into my safari shorts and snarled as he flung it violently to one side

The cool air caressed me stiffening my nipples even as the heat from the monster's breath soothed the goosebumps his pawing scratching and biting had forced upon me

I was never one for rough stuff before

My last boyfriend tried to spank me and even that little bit of naughty play was enough to get me to clam up

But this this was something entirely different

It's a wolf you idiot I thought he's not going to

Need you

What You need me

Instinctively I put my hands on either side of his massive head and almost fainted when I felt those jaw muscles clench and

relax So powerful so strong If there was any doubt in my mind that this creature could rip me limb from limb it vanished right then But still he hadn't killed me yet which was a good sign And he needed me You need me For what He snapped the air like something invisible was tormenting him When he gnashed his teeth he was barely contained Wild savage and intensely powerful To breed young he paused for a moment and then said prophecy in the same strained taut voice **The Werewolf Takes His Mate - Werewolf Shifter Alpha Male Reluctant Breeding Erotica** Francis Ashe, 2013-12-08 On a long rambling road trip to spread her wings after college curvy and innocent Alyssa has just about given up on finding anyone who will love her for who she is Little does she know that in a dusty town off the side of the road Alyssa will walk straight into exactly the man she never expected When Will Eckhart sheriff and secret werewolf alpha first lays eyes on Alyssa he knows she's something special Something about her eyes her scent and the way she walks puts a fire right in his belly But he knows that if he's going to mark her as his mate she's going to have to survive the pack first Wild passion feral need muscled werewolves and a towering intensely powerful alpha fill these pages and every desire Alyssa has ever had This is an explicit read meant for audiences 18 EXCERPT I I need you can't stop thinking scent the man behind the door growls I can hardly get my mind off of the sheriff off those eyes and that smoldering gaze I try my best to clear my head but my best efforts just end with my muscles clenching slow tight between my legs If I let you in what will happen A snorting sound meets my ears and then a rumbling growl Let me in or I'll break door How do I know you're not going to hurt me Or kill me Or The voice doesn't answer but a pounding fist on the door does I hear the wood rattling on the hinges squeaking slightly under the insistent banging Then the noise all stops For one brief moment there's no sound no breathing no scratching Are you still there I ask surprised at how hopeful my voice sounds This is no fantasy I know there's actually someone out there wanting in but hello I call again The moment stretches into eternity There's only silence Then just as I'm adjusting to the quiet a growl and what can only be a shoulder crashing into the door jolts me back to reality He pulls away and the next second smashes back into the door this time bashing it straight open throwing it backwards so that it slaps the wooden wall knocking a cheap picture of a wheat field to the ground with a clatter I open my eyes wide unable to believe what's happening Though the room is dark lit only by the moon's pale yellow glow I think I can see two slightly different colored eyes peering at me through the blackness Sheriff I ask Is that you **Under A Breeding Moon** Francis Ashe, When Jasmine St Paul meets the wild mysterious and half savage Sebastien deep in a Louisiana bayou there are two things about him that she just can't believe First he was a stunning guy muscular gentle and for some reason he wants her so bad she can taste it The other thing is that Sebastien is a werewolf caught up in a dangerous game of survival After being initiated into the pack Sebastien entrusts her with a mission she must find the secret to the wolves curse and free them before it's too late Join Jasmine as she encounters raw passionate savage eroticism the awakening of her own sexuality comes across the only things in the swamp more savage than the werewolves and begins to unravel the secret to saving a world she never knew to exist until she walked straight inside it Are

sweet tasting touching and thrusting up against a nearby rock that hurts so good and pleases every inch of her body Excerpt As she lifted her head and looked into Lance s eyes she froze in her tracks His eyes were the same golden yellow shade of the furry creature she was almost killed by He opened his mouth to reveal sharp edged teeth that she had never seen on a human being before Before Tina could let out a yelp Lance sunk those dagger sharp teeth dead into her neck causing her to squeal in submissive delight He was a man possessed Lance sucked at her neck like a vacuum sending tremors of both fear and delight down Tina s spine as she wondered how vicious he would be with her His mouth explored the nape of her neck and bit unforgivably into her shoulder blade before allowing his hot wet tongue to find its way to the undercarriage of her hefty left breast As if working his way to the sweet spot Lance sucked hard at the flesh closest to her underarm causing Tina to lean her head back in ecstasy He sucked her breast in its under region all the way to the epicenter taking great detail to bring her quarter inch nipples to life with flicks sucks and circles of the tongue He reached a now noticeably very hairy hand to grab Tina by the neck as if he was choking her but gentle enough to allow oxygen to pass as he glided his tongue down the center of her chest all the way down to the region of no return just beneath her belly button Her womanly valley begged for sweet relief and that sense was heightened as Lance let out a deep growl when face to face with her as if he was about to punish it for something she did I can t believe we re doing this We don t even know each other Tina said Believe it Lance said before aggressively turning Tina over on her stomach the ridges of the rock scratching her and the coldness of the rock making her nipples hard enough to cut diamonds She lay there on the ice cold rock her naked body covered in mud sprawled out with her bottom in the air at the mercy of this ravenous stranger that was determined to have her werewolf werewolf erotica werewolf erotic romance werewolf romance alpha male alpha alpha wolf pack taken dubcon dubious consent dubcon erotica dubious consent erotica bdsm bdsm erotica bdsm romance domination and submission dominant woman dominant female dominatrix bondage spanking gangbang erotica dub con face sitting face sitting 69 oral sex spanking erotica s m s m erotica mistress mistress erotica cuckold cuckolding cuckold erotica dubcon erotica dubious consent erotic romance
