Life of Miracles Chaplain Rick Paetzke,2022-04-06 My book is the written story of the many miracles I experienced throughout my life that helped define the person I am and the faith I have today It s told where and when I experienced them The feelings are raw and the emotional journey is as real as anyone can feel May its message be translated to an experience that can be felt through its words When I was growing up I would say God if you re real show me and I will live for you He did that and much more This book was written for all believers and nonbelievers to give you all hope now and for the hereafter My life is told in a timeline from my miraculous birth to my experimental teens and an adulthood filled with bad decisions made all along never being forgotten by the God Almighty You will be able to tell the times I experienced his divine interventions my experiences being as real as you I hope you find this as interesting as it was when I lived it I started to fall backward away from the ladder I cried out thinking I might die or get badly hurt I cried out Jesus save me As I was falling backward away from the ladder after I said Jesus save me I felt something grab me from behind and push me toward the ladder It made sure that my feet were on the ladder steps and God or an angel took both my hands and made them grab the ladder with a firm grip Before I knew it I was safely on the ladder This is only one of many miracles Jesus did for me 94
