angry or so left out of God's will that they have nothing left but the desire to curse God and die. In today's world it very well could be your own handbook for survival. Heart to Hand Ministries director Woody Wolfe has this to say about *I Could Use a Miracle Right Now*. Webb is able to take us on that journey to see the true miracles that are the reality of our everyday lives even when the world had blurred our vision. Webb's uncanny ability to put into words that which is at the heart of the true Gospel message has been such a blessing to me. I wish this book would have been around during those first days of my full time ministry when I was still looking to the world for affirmation. To truly understand that God is already knocked out about us gives us the freedom to be just who we are and Webb has brought that vision of the uncompromising love of God to these pages. Few visitors to Mussoorie go beyond the Mall or beyond the roads. There are virtually no signs to guide the way to most of the tracks outlined in the book. Those of you who visit Mussoorie for only days or weeks have no time to waste on dead ends and so this book provides the necessary information to reach these remote places. All the maps in this book were produced using a global positioning system device so they are all to scale and all of the walks can be completed within a day. Mussoorie runs from west the library end to east the Picture Palace end along an escarpment. Walks from Mussoorie past the library end take you to Happy Valley Walk 12, Kempty Falls Walk 15, the ruins of Mackinnon's Brewery Walk 20, George Everest's House Walk 31 and Benog Walk 28. Walks past the Picture Palace end take you to Lal Tibba Walk 13, Top Tibba Walks 1, the valley to the north of Masrana Walk 9 and Surkanda Devi Walk 6. All of these walks take you through forests and streams and past small villages. On a clear day you can see panoramic views of the Garhwal ranges of the Himalayas from vantage points along many of the walks. This new edition has arisen largely because of the ever changing landscape around Mussoorie. This version now has more walks, many of which are less than 4 hours, to satisfy a request from many readers. With each village now having road access, some of the original paths are either roads or have become unsafe while others have become overgrown or blocked by fences so we have tried to find alternative ways. In finalising this book in late 2024 we have walked every single path, checked all instructions and redrawn all maps and graphs. However Mussoorie is ever changing so some paths will change in the future. When we know about these we will provide updated instructions at [mussooriwalks.com](http://mussooriwalks.com). We hope you enjoy discovering the spectacular natural beauty of Mussoorie as much as we have. Happy hiking. *Nightmare Eve* L.K. Scott, 2014-11-04.
