Copyright Office, 1950 Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries, 1979 The Short Life and Violent Times of Preston Smith Brooks Kenneth A. Deitreich, 2019-06-10 Although he was a central figure in one of the seminal events of American history the May 1856 Caning of Senator Charles Sumner Preston Brooks remains largely a forgotten figure one in whom even professional historians have shown little interest However while Preston Brooks remains as described by one historian an obscure and enigmatic individual there is no denying his place in history The Caning of Sumner was one of the most notorious incidents of the nineteenth century one that not only inflamed the passions of both North and South but rapidly hastened the process of disunion As a principal actor in that event Preston Brooks warrants a greater degree of historical scrutiny than he has heretofore received To date only a handful of published material exists on Preston Brooks nearly all of which has dealt with the assault upon Charles Sumner while ignoring virtually every other aspect of Brooks life This book addresses this oversight through an in depth examination of Brooks s life beginning with his youth in up country South Carolina and concluding with his premature death at age thirty seven in a Washington DC hotel room Certain to appeal to both professional scholars as well as to general readers of history the book offers a unique perspective on one of history s most compelling yet controversial figures while providing key insights into Brooks s character and the motives that drove him to attack Charles Sumner **The Cumulative Book Index**, 1911 A world list of books in the English language **Haydn's Dictionary of Dates and Universal Information Relating to All Ages and Nations** Joseph Haydn, 1910 **A New English Dictionary on Historical Principles**, 1888 **The Literary Digest**, 1915 **"A" New English Dictionary on Historical Principles** James Augustus Henry Murray, 1928 *A Dictionary of the English Language* Samuel Johnson, 1877 General Catalogue of Printed Books British Museum. Department of Printed Books, 1969 *Ageing in Contexts of Migration* Ute Karl, Sandra Torres, 2015-08-20 Population ageing and the globalisation of international migration are challenging the

research agendas of social scientists around the world and posing numerous challenges for policy makers and practitioners whose goal is to formulate and design high quality and user friendly policies and services Both of these phenomena have brought for example attention to the fact that more and more people around the world are ageing in countries other than those where they were born The fact that elderly care sectors around the world need to recruit staff if they are to handle the growing number of older people that will need their services is also something that has been discussed when population ageing and the globalisation of international migration have been debated The elderly care sector's reliance on people with migrant backgrounds has namely increased as a result of these phenomena This collection is therefore situated at the intersection of ageing and migration studies and takes into account the various issues with which this intersection is concerned The chapters in this volume are written by established researchers in the field of ageing and migration around the world The collection explores these issues in three sections Elderly care regimes and migration regimes national perspectives Ageing in contexts of migration a multifaceted phenomenon Elderly care and migration The expert contributions in this volume address the array of issues associated with the study of ageing old age and elderly care in contexts of migration

Dramatic Notes, 1888 *Borderline Slavery* Susan Tianio, Moira Murphy-Aguilar, 2016-04-08 Exploring human trafficking in the US Mexico borderlands as a regional expression of a pressing global problem *Borderline Slavery* sheds light on the contexts and causes of trafficking offering policy recommendations for addressing it that do justice to border communities complex circumstances This book focuses on both sexual and labor trafficking proceeding thematically from global to regional levels to provide an empirically grounded theoretically informed and policy relevant approach which examines the problem through the eyes of scholars and researchers from various fields as well as journalists public officials law enforcement personnel victims advocates and NGO representatives Discussing the multinational networks global economics and personal motives that fuel a multibillion dollar trade in human beings as cheap labor *Borderline Slavery* suggests future directions for effective policies and law enforcement strategies to prevent the advance of human trafficking As such it will be of interest to both policy makers and scholars across the social sciences working in the fields of migration exploitation and trafficking
