For better or worse, a solar eclipse brought humans and paranormal beings together, sparking one woman's battle to master magic or lose our world in this riveting serialized adventure from the 1 New York Times bestselling author of the Hollows series. As time has passed, Dr. Renee Caisson has begun to see the demonic alien August as more than a research subject or an unlikely colleague; they've become friends. And together, she and August have helped the two societies of Nextdoor and Earth through the confusion of first contact, the danger of misunderstandings, and the anger of mistreatment. But when a popular blogger and conspiracy theorist twists August's words, an uproar ensues, turning a powerful section of human society against the Neighbors and resulting in Renee's house arrest. Her could-be boyfriend, Major Jackson, says it's to protect her, though that's not how Renee sees it. Torn between duty and friendship, August jumps Renee to freedom, fully aware that the journey might reveal more to her than she should know. The wily Neighbor has pieced together that Renee has been unconsciously using their magic, a fact that if revealed will cause more, not less, conflict between the humans and Neighbors. For if the people of Earth can master magic and exile August's people again, the Neighbors will not survive.

Demon's Bluff Kim Harrison, 2025-12-02. Rachel Morgan must go on a deadly journey into the past in this thrilling Hollows novel in the 1 New York Times bestselling series. What's a witch to do when the coven of moral and ethical standards demands she untwist a curse but an essential spell component no longer exists? There's only one choice: go back in time. Caught between self-exile and an Alcatraz cell, Rachel must find an Atlantean mirror to reverse the curse and prove to Cincinnati's brand-new witch coven that no, she does not practice illicit magic. Unfortunately, the only mirror of its kind in existence belonged to the insane demon Newt, which forces Rachel to go to the past to bargain with her for it. But the spell goes awry, dragging Elyse, the young leader of the coven, back in time too. Rachel expects to land five years in the past, but instead, they arrive two days before Rachel's long-lost love, Kisten, dies. Heartbroken and torn, Rachel knows she can't change the past. Even with no allies, Rachel still has one thing going for her: Cincinnati is her city now and forever. If she can find a way to work with Newt and prevent Elyse from becoming the demon's next familiar, they might all get home.
