The Word Warrior:

Word Warriors Alix Olson, 2007-10-05 Female spoken word artists have become the spokeswomen for a new generation. This demanding oral poetry of the early 21st century has defined a vanguard of lithely muscled voices: women who think and act decisively to create their distinctive and desperately earned realities. The combination of the eminent slam movement and the upsurge of bold underground feminism has created a unique pool of women who verbally challenge society on all fronts. Editor Alix Olson internationally touring spoken word artist/activist brought together a variety of astounding spoken word artists for *Word Warriors*. Included in this collection are Patricia Smith and Eileen Myles, two of our most formidable spoken word foremothers; Tony award winners Sarah Jones Suheir Hammad and Staceyann Chin; recording artists Bitch and Lynn Breedlove from the dyke punk band Tribe 8; award-winning writer Michelle Tea; and many more. These women join other amazing artists from many different backgrounds to create *Word Warriors*, a powerful and comprehensive collection of work from the best and brightest female spoken word artists today.
