The Temporary Hero Nick Svolos, 2019-03-15 Why be credible when you can be incredible Eight months ago a mad scientist s device left Reuben Conway with the superhuman abilities of Ultiman When a flame wielding burglar goes on a crime spree in Los Angeles it s up to Reuben to track him down But when a mysterious organization frames him for the crimes he finds himself at the center of a scheme to destroy the city As the terrorist plot storms toward its murderous goal Reuben discovers that he s been caught in a trap One from which no hero can escape The third installment in the popular Conway Report series The Temporary Hero is a pulse pounding ride through a noir world of secret identities mind boggling superpowers desperate gambits and shadowy conspiracies that will leave fans of potboilers and superheroes screaming for more Wagner and the Romantic Hero Simon Williams, 2004-06-24 Few major artists have aroused the ire and adulation of successive generations as persistently as Richard Wagner He was the centre of controversy during his lifetime and yet when he died he was the most idolized man in Germany The situation has not changed much since then Simon Williams explores the reasons for this adulation and antipathy by examining an aspect that may be a fundamental cause for this radical division in the reception of Wagner s work the phenomenon of heroism Williams analyses this heroism as a function of Wagner s theatre and music beginning with a definition and examination of the concept of the heroic The book also discusses all thirteen stage works by Wagner and the phenomenon of heroism and Wagner s adaptation of the figure of the Romantic hero Williams offers a theatrical musical and cultural re evaluation of one of the most enduring figures in the arts *On heroes, hero-worship, and the heroic in history. Hero-ego in Search of Self Judy Anne White,2004 In Hero Ego in Search of Self Judy Anne White offers a perceptive explanation for continued interest in the Anglo Saxon poem Beowulf Building upon the earlier work of Jeffery Helterman and John Miles Foley she argues that the sum of all confrontations between hero and monster in Beowulf equals the process of individual psychological development identified by Carl Jung as individuation Dr White s study proposes that the hero s struggle is the universal struggle towards self knowledge and that Beowulf thus resonates for the contemporary reader as it did for the poet s original audience On
