Andrew G. Robbins

The Tithe Blessing Or Curse:

Blessings And Curses Zacharias Tanee Fomum,1900 Some people are operating under a curse while others are operating under a blessing Blessing is a supernatural force working to promote you and to advance you When you are operating under a blessing you rise to heights totally beyond any logical explanation of your talents your gifts and your abilities On the other hand a curse is an invisible force that frustrates you An invisible force that is there to make you to be left out A curse is as if you have an invisible enemy standing on your way It s as if there is an invisible barrier standing in your way There are some people who everything they touch goes wrong Other people may be succeeding but when they get there it goes wrong Such people are said to be functioning under a curse The author further explains that blessings and curses belong to the invisible Blessings and curses are vehicles of supernatural spiritual power Blessings produce good and beneficial results while curses produce bad and harmful results We send this book out with a heart cry that as you read it you may be able to identify whether you are acting under a curse and cooperate with God for it to be broken On the other hand knowing that you are functioning under a blessing would help you to in a conscious way cooperate with God to continue abiding in His blessing BLESSINGS, CURSES, AND SPIRITUAL ATTACKS GODSWORD GODSWILL ONU,2015-02-13 All of us want blessings while we detest curses and spiritual attacks But how do blessings curses and spiritual attacks come And do we have any part to play as far as their coming is concerned Though some blessings curses and spiritual attacks come without link to what we as individuals did and do yet some of them are connected to our actions and speeches And you can bless or curse yourself Spiritual attacks are projected by the wicked spirits and their human agents The devil has no true or real blessing Even though God s Judgment does not come immediately because we are in the New Testament God does punish sins and disobedience with curses losses death and destruction Sin and disobedience will open the door for the devil in your life From Curses to Blessings Ken Harrington,Jeanne Harrington,2011-01-01 From Curses to Blessings takes readers through a thorough teaching on the various causes that allow curses to enter our lives including generational patterns and personal sin The authors give substantial scriptural support to their message along with lists of demonic spirits associated with various sins and prayers for freedom Since the material covers the full range from murder and prostituting oneself to the way one speaks about one s neighbor or thinks about one s spouse all believers will be able to find something to apply to their lives to gain greater freedom The final chapters include faith building material on how to release God s blessings into our lives How to Deal with Demons & Curses Jean Tshibangu,2021-01-24 It is appropriate to attend evidence that in the current context full of turbulence purveyor of all kinds of stress which over time oppresses and weakens and eliminates those who are not able to adapt or are unable to overcome on one hand and the explosion of occult practices coupled with the rise of immorality on the other this book falls at point Many ask themselves why they cannot succeed in their lives They feel like some forces are behind their daily life which destroy and annihilate any project they try to

accomplish Do you feel any pressure or are you blocked in one area of your life Do you feel like imprisoned Are you living as a slave Is nothing working You believe you lost the joy the freedom to live and you depend on the invisible forces that undermine your life Are you feeling like fighting against invisible forces This book is for you you and a life preserver will find the answers to many of your questions Read it with a single desire to find ways to receive your total deliverance **The Tithing Dilemma and the Triumphs of Love** Leonard C. Bupanda,2011-11-04 This book provides enough food for thought for those who want to find out more or even raise some objections to Leonards assertions and arguments On the whole it is a heart searching and thought provoking book **The Institutes of Biblical Law Vol. 2** R. J. Rushdoony,2009-11-16 The relationship of Biblical Law to communion and community the sociology of the Sabbath the family and inheritance and much more are covered in the second volume The purpose of this second volume is to point men to God and His Word for the government of their lives and our world To serve and magnify God is the greatest of privileges and callings as is the reconstruction of all things in terms of the Word of God This after all is the purpose of life to be conformed to God Contains an appendix by Herbert Titus The Blessed Life Robert Morris,2004-09-08 Discover the Joy of Giving and the Rewards of Receiving This book will transform your life for the better bringing you guaranteed financial results But it will do more than that It will change every area of your life marriage family health and relationships For when God changes your heart from selfishness to generosity every part of your life journey is affected If all believers followed the practical guidance of The Blessed Life every church could be built every nation would have an abundance of missionaries and all would reap the benefits of having a generous heart With humor passion and clarity Robert Morris presents the secrets of living a blessed life both financially and spiritually The Way of Jacob C R Kuhns,2011-11-30 Jacob was afraid He had just seen the God of all creation The God of all creation whose Word is holy and trustworthy had just spoken to him God had promised to always bless him and never leave him but could he really trust God Could he simply believe in the promise of God or should he try to do something in response How was Jacob going to respond He had heard about his grandfather Abrahams walk down a path in life that was simple and faith filled Jacob had watched his brother Esau choose a path that despised the promise of God Was there a response Jacob could provide that would impress and please God Possibly if he vowed to tithe promised God a temple and promised to make God his Lord God would be pleased with him Jacob decided to try this response to God If his response is typical of our human nature will we also walk the same pathway that Jacob chose Is this path of action what God desires of us and does this path truly honor Him What does the Bible say about the path we are to choose when presented with the promise of blessing that comes through Jesus Christ The Way of Jacob takes a look at the Word of God to see what response He requires of us In doing so we will explore what the Word has to say about human performance in areas such as tithing and other religious works *Normative and Sectarian Judaism in the Second Temple Period* Moshe Weinfeld,2005-06-20 The book brings together the essays on Second Temple Judaism by Moshe Weinfeld one of the leading
