you will love Ava's self help books **Expression Is Your Superpower** Ava Miles, 2021-08-23 International Bestselling Author Ava Miles shares the keys to showing the world your true superhero nature by kicking shame to the curb. Many popular superheroes hide their true selves in the shadows. Cowed by shame and fear, they create false identities that they use to disguise their true nature. Isn't that what most of us are doing? We're wrong for everything from showing anger to crying and sometimes even for laughing too loud or dressing a certain way. We are surrounded with taboos that keep our expression in check. Darker expressions and emotions make us unlovable or are too much. Expressing how we really think or feel gives way to punishment, shame, or abandonment. But no more. Forget all you've learned about getting angry or sad and everything in between. Expressing ourselves involves freeing ourselves from our masks and stepping into our superhero selves. Life-changing tools in this book include: Facing down the seeds of judgment; Clearing shut-down patterns begun in childhood; Spotlight Tools to highlight our triggers; Super Tools to return to superhero wholeness; Take Back Tools for rewiring us to true expression; Cutting edge exercises to relink our hearts to wholeness. *Expression Is Your Superpower* is part of *The Lost Guides to Living Your Best Life* series, a complete system to help us reclaim the nine superpowers essential to rocking life. Ava Miles is the international bestselling author of powerful books about love, happiness, and transformation. As a former conflict expert, Ava rebuilt warzones in places like Lebanon, Colombia, and the Congo to foster peaceful and prosperous communities. While rewarding, Ava recognized she could affect more positive change in the world by addressing the real roots of conflict and unhappiness through books. In becoming an author, she realized her best life. Her novels have received praise and accolades from *USA Today*, *Publisher's Weekly*, and *Women's World Magazine*, in addition to being chosen as Best Books of the Year and Top Editor's picks. However, Ava's strongest praise comes directly from her readers who call her books life-changing. *The Lost Guides to Living Your Best Life* series represents the culmination of her work as a conflict expert, life coach, and wellness expert. If you enjoy books by Brene Brown, Gabrielle Bernstein, Rachel Hollis, Jen Sincero, Mark Manson, Shawn Achor, Michael Singer, Tony Robbins, Deepak Chopra, Shauna Niequist, Gary Chapman, John Leland, and Gretchen Rubin, you will love Ava's self help books.

Happiness Is Your Superpower Ava Miles, 2022-01-10 International Bestselling Author Ava Miles shares the secrets to living a happy life even in tough times. Every supervillain tries to stop the superhero from having a happy ending. They say it's impossible, idealistic, in fact. And yet, when a superhero is in her true power, it's a done deal. So why aren't more of us happy? We weigh our happiness on too many conditions. We put it too much outside of ourselves. We make it contingent on finding the perfect partner, the ideal job, or the group of friends that reminds us of the pals on our favorite TV show. That stops now. Reclaiming a sense of enchantment about ourselves and life is key to unlocking our natural state of happiness. When you plug back into your superpower nature, happiness isn't an emotion; it's a state of being. Life-changing tools in this book include: Assessing your happy meter; Clearing unhappy patterns begun in childhood; Spotlight Tools to highlight our happiness rules; Super Tools to undo our unhappy lens; Take Back Tools for reconnecting us to happy

Faith Run Ray Gonzalez, 2009 Faith Run offers the most recent work by the well known poet Ray Gonzalez The poetry here is at once perhaps his most personal and most universal At the heart of these lyrical sometimes ethereal poems is a deep sense of the mystery and even the divinity of our human lives Although Gonzalez invokes the names of many poets who have come before him including Walt Whitman Pablo Neruda Robert Frost Charles Wright Allen Ginsberg and Federico Garcia Lorca he writes in his own singular voice one sculpted by the scorched and windblown landscapes of the American Southwest by the complications of life in a borderland by the voices of ancestors With the confident touch of a master craftsman he creates a new world out of the world we think we know In his poems the personal suddenly becomes the cosmic the mundane unexpectedly becomes the sublime For

Gonzalez it seems we humans can transcend the ordinary just as these poems transcend genre and create a poetic realm of their own but we never actually leave behind our rooted earthbound lives Although our landscape may be invisible to us we never escape its powerful magnetism Nor do we ever abandon our ancestors No matter how fast or far we run we can never outrun them Like gravity their influence is inexorable These poems enchant with their language which often leaps unexpectedly from worldly to otherworldly in the same stanza but they cling and linger in our memories not unlike the voices of friends and relatives [A Love Divided](#) Belle McInnes,2017-04-01 [The Inclusive Bible](#) Priests for Equality,2009-03-16 While this new Bible is certainly an inclusive language translation it is much more it is a re imagining of the scriptures and our relationship to them Not merely replacing male pronouns the translators have rethought what kind of language has built barriers between the text and its readers Seeking to be faithful to the original languages they have sought new and non sexist ways to express the same ancient truths The Inclusive Bible is a fresh dynamic translation into modern English carefully crafted to let the power and poetry of the language shine forth particularly when read aloud giving it an immediacy and intimacy rarely found in traditional translations of the Bible The Inclusive Bible contains both the Old and the New Testaments **The Imperial Gazetteer of England and Wales; Embracing Recent Changes in Counties, Dioceses, Parishes, Etc.
