The Tragedy Of Romeo And Juliet English Edition:

Shakespeare's Tragedy of Romeo and Juliet William Shakespeare, 1907 This edition of Romeo and Juliet first published in 1879 is now thoroughly revised on the same general plan as its predecessors in the new series While I have omitted most of the notes on textual variations I have retained a sufficient number to illustrate the curious and significant differences between the first and second quartos Among the many new notes are some calling attention to portions of the early draft of the play some of them very bad which Shakespeare left unchanged when he revised it The references to Dowden in the notes are to his recent and valuable edition of the play which I did not see until this of mine was on the point of going to the printer The quotation on page 288 of the Appendix is from his Shakspeare His Mind and Art which by the way was reprinted in this country at my suggestion *Manga Classics: Romeo and Juliet: Modern English Edition* William Shakespeare, Michael Barltrop, Crystal S.
