Triumph of the Egg, and Other Stories Sherwood Anderson, 2014-06-10 There is a story I cannot tell it I have no words The story is almost forgotten but sometimes I remember The story concerns three men in a house in a street If I could say the words I would sing the story I would whisper it into the ears of women of mothers I would run through the streets saying it over and over My tongue would be torn loose it would rattle against my teeth The three men are in a room in the house One is young and dandified He continually laughs There is a second man who has a long white beard He is consumed with doubt but occasionally his doubt leaves him and he sleeps A third man there is who has wicked eyes and who moves nervously about the room rubbing his hands together The three men are waiting waiting Upstairs in the house there is a woman standing with her back to a wall in half darkness by a window That is the foundation of my story and everything I will ever know is distilled in it I remember that a fourth man came to the house a white silent man Everything was as silent as the sea at night His feet on the stone floor of the room where the three men were made no sound

Published two years after the innovative influential 1919 masterpiece *Winesburg, Ohio*, this collection of short stories solidified the author's reputation as a major American writer. In *The Conquest of Canaan*, Booth Tarkington presents a captivating exploration of ambition and morality set against the backdrop of early 20th-century America. The narrative unfolds in the fictional town of Canaan, where the conflict between traditional values and the pursuit of wealth and power reveals the complexities of human nature. Tarkington's prose is richly descriptive and characterized by vivid imagery and keen observations reflecting the literary style of the American realist movement. The novel juxtaposes personal aspirations with societal expectations, deftly addressing themes of corruption and the American Dream, thus placing it within a significant context of early modernist literature. Booth Tarkington, an esteemed American novelist and playwright, was deeply influenced by the cultural shifts of his time, particularly the tension between burgeoning industry and rural wisdom. Born into a world transitioning from agrarian roots to an urban landscape, Tarkington's personal experiences of privilege and disillusionment informed his haunting portrayal of characters in *The Conquest of Canaan*. His ability to weave humor and social critique into the fabric of his narrative demonstrates a profound understanding of the American psyche in the face of changing values. This novel is a powerful examination of societal change, and readers who appreciate a blend of character-driven narrative and incisive commentary will find Tarkington's work both engaging and thought-provoking. *The Conquest of Canaan* is not just a story of individual ambition; it is a poignant reflection on the cost of progress in the American landscape, making it a must-read for those interested in the evolution of American literature.
