The Trouble With Billionaires English Edition:

How Societies Work, 5th Edition Joanne Naiman, 2020-04-28T00:00:00Z In 2011 protesters around the world including Canada called for changes to the societies in which they live Many observers were asking What do they want Some answers to this question can be found in *How Societies Work* a unique and accessible introductory sociology textbook that introduces students to the structure of contemporary societies and the power relationships within them In contrast to most introductory textbooks *How Societies Work* explores a broad range of sociological concepts and theories while simultaneously creating a coherent picture of modern societies Drawing on fields as diverse as anthropology genetics economics social psychology history and politics this innovative and popular text looks at both the roots of modern societies and the current structures within them This approach helps undergraduate students make sense of our complex social world and encourages them to connect the social world to their own lived experiences This extensively revised and updated fifth edition includes discussions of the roots of the recent global economic crisis and worldwide responses to it growing social inequality broader global struggles for change the growth of the security state in Canada and the sudden resurgence of political protest in North America The final chapter looks to the future examining such issues as the possible consequences of climate change increased forced migration of peoples and the changing dynamic of global power More boxes quotes and think about it elements have been added to the fifth edition while the language clarity of presentation and many examples make it even more accessible to readers It is an introductory textbook that truly engages students in the sociological imagination This fifth edition is presented in a large format making it easier to read and even more student friendly A testbank and power point presentation are available for instructors upon request

Propaganda and the Ethics of Persuasion - Second Edition Randal Marlin, 2013-09-30 This book develops a sophisticated account of propaganda and its intriguing history It begins with a brief overview of Western propaganda including Ancient Greek theories of rhetoric and traces propaganda's development through the Christian era the rise of the nation state World War I Nazism Communism and the present day The core of the book examines the ethical implications of various forms of persuasion not only hate propaganda but also insidious elements of more generally acceptable communication such as advertising public relations and government information setting these in the context of freedom of expression This new edition is updated throughout and includes additional revelations about a key atrocity story of World War I

The Devil Problem David Remnick, 2014-04-02 Readers know from his now classic *Lenin's Tomb* that Remnick is a superb portraitist who can bring his subjects to life and reveal them in such surprising ways as to justify comparison to Dickens Balzac or Proust In this collection Remnick's gift for character is sharper than ever whether he writes about Gary Hart stumbling through life after Donna Rice or Mario Cuomo who now presides over a Saturday morning radio talk show fielding questions from crackpots or about Michael Jordan's awesome return to the Chicago Bulls or Reggie Jackson's last times at bat Remnick's portraits of such disparate characters as Alger Hiss and Ralph Ellison Richard Nixon

and Elaine Pagels Gerry Adams and Marion Barry are unified by this extraordinary ability to create a living character so that the pieces in this book taken together constitute a splendid pageant of the representative characters of our time **Modern Britain Third Edition** Edward Royle, 2012-02-02 Praise for the first edition Royle calls on an impressive range of materials supported by an excellent bibliography to offer a judicious review of most of the issues currently confronted by social historians His agenda contains both traditional and novel elements all are presented with admirable clarity and balance A volume which shows an astonishing command of such a wide range of material will long prove essential reading Times Literary Supplement This popular work provides an in depth historical background to issues of contemporary concern tracing developments over the past two and a half centuries It promotes accessibility by adopting a thematic approach with each theme treated chronologically Major themes are chosen partly by their importance to an understanding of the past and partly by their relevance to students of contemporary Britain rather than by imposing current fashions in historical study on the past Thoroughly revised the third edition of Modern Britain reviews and brings up to date the content to take account of developments since 1997 and reconsiders emphases and interpretations in light of more recent scholarship It incorporates new currents in historical writing on matters such as the language of class the position of women and the revolution worked by the Internet and mobile technologies Modern Britain is vital reading for students of history and the social and political sciences Soccernomics (2022 World Cup Edition) Simon Kuper, Stefan Szymanski, 2022-10-18 Written with an economist s brain and a soccer writer s skill Soccernomics applies high powered analytical tools to everyday soccer topics Soccernomics is a revolutionary new way of looking at soccer that has helped to change the way the sport is played This World Cup edition features ample new material including a chapter on women s soccer that makes a case for reparations an analysis of the pandemic s impact on soccer finances and insights into the failed plan to create a European Super League Soccernomics remains essential reading for anyone in search of a more strategic systematic perspective on the game answering the questions that most consume soccer fans *The Beautiful Fall* Alicia Drake, 2009-02-28 A comprehensive biography of the late designer Karl Lagerfeld and his infamous rivalry with Yves Saint Laurent In the 1970s Paris fashion exploded like a champagne bottle left out in the sun Amid sequins and longing celebrities and aspirants flocked to the heart of chic and Paris became a hothouse of revelry intrigue and searing ambition At the center of it all were fashion s most beloved luminaries Yves Saint Laurent the reclusive enfant terrible and Karl Lagerfeld the flamboyant freelancer with a talent for reinvention and they divided Paris into two fabulous halves Their enduring rivalry is chronicled in this dazzling expos of an era of social ambitions shared obsessions and the mesmerizing quest for beauty Deliciously dramatic The Beautiful Fall crackles with excitement New York Times Book Review Fascinating New York Times Addictive Philadelphia Inquirer It s like US Weekly 1970s style Gotham A story constructed as exquisitely as a couture dress It moves stylishly forward with frequent over the shoulder glances at some very dishy background Boston Globe *Using Poetry for Economic Analysis* Ky-Hyang

Yuhn,2023-09-26 This book is innovative in methodology novel in ideas and rich in contents The book is the first attempt to amalgamate economics with poetry mythologies novels paintings and movies that pertain to economic subjects It presents the principles of economics in a systematic manner but in plain and lyrical English Through analysing real world issues using solid economic theory and literary prose the topics discussed in the book allow for a straight to the point analysis which can be used by all The book serves as a guide to college undergraduate and MBA students who are beginning to study economics and as a navigator to lay readers including financial practitioners fund managers and portfolio investors who need economics knowledge in their chosen fields The book introduces 22 European American Chinese Japanese and Korean poems which are related to economic subjects

Nazis All The Way Down Katharina Gallant,Zachary Gallant,2023-11-06 In Deutschland ist das alltägliche Leben einschließlich Unternehmen Verbänden Kommunalverwaltungen Parks Schulen Kirchen und Medien immer noch von den Nazi Verbrechen belastet die im öffentlichen Bewusstsein nicht anerkannt werden Das sagen Zachary und Katharina F Gallant die die derzeitige deutsche Praxis des Gedenkens an die Verbrechen des Nationalsozialismus kritisieren weil sie die Stimmen und die Handlungsfähigkeit der Opfergruppen ausgeklammert In ihrem Buch fordern sie eine Entnazifizierung 2020 die darin besteht das Vermögen der deutschen Unternehmen und Familien zu enteignen die direkt mit den Naziverbrechen in Verbindung gebracht werden können um dieses enteignete Kapital zur Bewältigung der dringenden Katastrophen unserer Zeit einzusetzen

Special Committee on Un-American Activities (1938-1944),1939 Billionaires in World Politics Peter Hägel,2020-12-07 Billionaires in World Politics shows how the privatization of politics assumes a new dimension when billionaires wield power in world politics which requires a rethinking of individual agency in International Relations Structural changes globalization neoliberalism competition states and global governance have generated new opportunities for individuals to become extremely rich and to engage in politics across borders The political agency of billionaires is being conceptualized in terms of capacities goals and power which is contingent upon the specific political field a billionaire is trying to enter Six case studies explore the power of billionaires in their pursuit of security wealth and esteem The chapter on security analyzes Raj Rajaratnam's relationship to the Tamil cause in Sri Lanka and Sheldon Adelson's transnational electioneering in the Israel Palestine conflict Regarding the economy the book studies how the Koch brothers political protection of fossil fuels is affecting climate change mitigation and how Rupert Murdoch's opinion shaping is valorizing

conservatism across borders The chapter on social entrepreneurship and esteem examines the role of Bill Gates in the governance of global health and George Soros's attempts to build open societies as a stateless statesman An analytical conclusion evaluates the prior findings in order to address three major questions Is it more appropriate to see billionaires as super actors or as a global super class What is the relative power of billionaires within the international system What does the power of billionaires mean for the liberal norms of legitimate political order
