The Unquiet Gods Peter Padfield,1980-01-01 Tales of the Unquiet Gods David E Pascoe,2016-07-07 Unearthly darkness stalks the streets of Manhattan Glowing eyes haunt forgotten tunnels In the daylight inhuman shadows grow ever deeper and hungry Six are chosen to confront this gnawing evil and given help from an unexpected power Hunting them come walking shadows and fallen godlings abominations and darkling creations seeking to devour their very souls Follow a busker a bouncer a homeless vet and a cop as they the battle the darkness without and the despair within for the fate of the city and the souls of those they love God and Being George Pattison,2013-03-29 Western theology has long regarded Being as a category pre eminently applicable to God the supreme Being who is also the source of all existence This idea was challenged in the later philosophy of Martin Heidegger and identified with the position he called ontotheology Heidegger s critique was repeated and radicalized in so called postmodern thought to the point that many theologians and philosophers of religion now want to talk instead of God as beyond Being or without Being Against this background God and Being attempts to look again at why the ideas of God and Being got associated in the first place and to investigate whether the critique of ontotheology really does require us to abandon this link After exploring how this apparently abstract idea has informed Christian views of salvation and of the relationship between God and world George Pattison examines how such categories as time space language human relationships and embodiment affect our understanding of God and Being Pattison concludes that whilst Heidegger s critique has considerable force it remains legitimate to speak of God as Being under certain restricted conditions The most important of these is that God is better conceived in terms of purely possible Being rather than as in classic Christian theology actual Being This leaves open possibilities of dialogue with e g non theistic religious traditions and with science that are foreclosed by traditional conceptions Ultimately however all basic religious ideas must issue from and be seen to serve the requirements of embodied love **The Old Testament Prophecy of the Consummation of God's Kingdom** Conrad Orelli,1885 God's Memo To you Ola Starling,2014-07-13 This book allows each individual to experience the penmanship of God as He speaks to those in leadership directed by the hand of God Himself Life pitches curve balls that hit each of us hard Sometimes those hard balls knock us down making it hard to get back on the right track of life God s love and grace is a strong dose of spiritual medication that allows life to be restored in a new order new strength and new direction that takes you to a new place in God that provides each individual a place of strong spiritual return Gods Shaw Desmond,1921 *Future as God's Gift* David Fergusson,Marcel Sarot,2005-03-01 This collection of writings by an international group of theologians is focused on the importance of Christian eschatology both to the life authority and hope of the Church and to contemporary life and thought in general **The Passion of God** Warren McWilliams,1985-06 **The Works of the Right Reverend Father in God Joseph Hall, Lord Bishop of Norwich ,1738**
