Commercial and Financial Chronicle Bankers Gazette, Commercial Times, Railway Monitor and Insurance Journal ,1903

The Commercial & Financial Chronicle ... ,1903 Gray Matters Theodore Schwartz,2024-09-05 The brain weighs just three and a half pounds but it governs every aspect of our lives AN ECONOMIST BOOK OF THE YEAR A fascinating and wide ranging account of what neurosurgery is really about the past present and future Henry Marsh author of Do No Harm Since its inception in the early twentieth century brain surgery has maintained an air of mystery As the saying it s not exactly brain surgery suggests the specialty has become synonymous with a level of complexity and meticulousness rivalled only by well rocket science Warm rigorous and deeply insightful neurosurgeon Theodore Schwartz reveals what it s really like to get inside someone s head where every second can mean the difference between life or death Drawing from Schwartz s experience in one of New York s busiest hospitals Gray Matters explores the short but storied history of brain surgery From the dark days of the lobotomy to the latest research into the long term effects of contact sports on athletes cerebral health Schwartz unfolds the fascinating story of how we came to understand this extraordinary three pound organ which not only keeps us alive but makes us who we are Fascinating Schwartz s way with words is as skilful as his wielding of microscissors Mail on Sunday **I Will Take You to Broceliande** Elizabeth Muhlhaut,2019-03-27 It is a mystery story and a detective

story about mankind s primordial quest for peace on earth which first requires that we understand how peace gets destroyed And like the thrillers on TV that reveal clues slowly you will see a crescendo of mysteries that I knew were clues if I could just figure them out Those tough experiences were simply what I had to go through to develop the sensitivity to subliminal signals in nature that I never would have been able to pick up if my life had only been happy and easy Yet the story is peppered with exhilarating moments of transcendence love and naivete Wonderful experiences dotted this life like pecans in cinnamon rolls
