

THE WENCH IS DEAD

By FREDRIC BROWN

Author of His Name Was Death

Howard Perry paid three dollars a week for his room off Main Street, Los Angeles. He washed dishes to keep him in wine money. He had a girl, Billie, a B-Girl, who called him Professor because he talked differently from other fellows she knew. But Howie wasn't really a wino and a bum — not yet. He was a teacher from Chicago, working for a degree in Sociology. He wanted to know how the other half lived. He found out on Main Street. And he became part of this life in a way he had not bargained for.

When big blonde Mame, bartender at a nightclub, was murdered, Billie knew that Howie had been the last to see her alive. But she lied about it to the cops. When the murderer struck again, Howie began getting ideas but if he told the police, Billie would be up for perjury. So he worked it out himself, the best he could.

The Wench Is Dead is no ordinary whodunit. Steeped in atmosphere, skillfully narrated in Fredric Brown's sparkling style and with his flair for the unusual, this is a condensed tour through Skid Row with personal introductions to the people who live — and die there.

The Drowned Muse Anne-Gaëlle Saliot, 2015 The Drowned Muse is a study of the extraordinary destiny in the history of European culture of an object which could seem at first glance quite ordinary in the history of European culture It tells the story of a mask the cast of a young girl's face entitled L Inconnue de la Seine the Unknown Woman of the Seine and its subsequent metamorphoses as a cultural figure Legend has it that the Inconnue drowned herself in Paris at the end of the nineteenth century The forensic scientist tending to her unidentified corpse at the Paris Morgue was supposedly so struck by her allure that he captured in plaster the contours of her face This unknown girl also called The Mona Lisa of Suicide has since become the object of an obsessive interest that started in the late 1890s reached its peak in the 1930s and continues to reverberate today Aby Warburg defines art history as a ghost story for grown ups This study is similarly a ghost story for grown ups narrating the aura of a cultural object that crosses temporal geographical and linguistic frontiers It views the Inconnue as a symptomatic expression of a modern world haunted by the earlier modernity of the nineteenth century It also investigates how the mask's metamorphoses reflect major shifts in the cultural history of the last two centuries approaching the Inconnue as an entry point to understand a phenomenon characteristic of 20th and 21st century modernity the translatability of media Doing so this study mobilizes discourses surrounding the Inconnue casting them as points of negotiation through which we may consider the modern age T. S. Eliot: The Poems Martin Scofield, 1988-03-10 The poems some of the poetic drama particularly Sweeney Agonistes and relevant sections of prose criticism are discussed in detail and placed in relation to the development of Eliot's oeuvre and more briefly to his life and a wider context of philosophical and religious enquiry Introduction A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature Gordon Williams, 2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th century English this book draws especially on the more immediate literary modes the theatre broadside ballads newsbooks and pamphlets The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and
