

The Wife of Martin Guerre

INTRODUCTION

BRIEF BIOGRAPHY OF JANET LEWIS

Janet Lewis was born in Chicago, Illinois. Her father, a college English teacher, introduced her to poetry and writing from an early age. Lewis first aspired to be a poet, and she was an avid member of the poetry club while attending the University of Chicago. Throughout her career, Lewis maintained the opinion that poetry is superior to prose. Lewis met many prominent members of the literary world during her college years, including the poet and literary critic, T.S. Eliot, who became her husband. After college, Lewis and Eliot's moved to California, where Lewis taught at Stanford and the University of California, Berkeley. With Eliot's, Lewis founded the literary magazine *Crossings*, active from 1927 to 1931. Lewis published her first collection of poetry, *The Indians in the Woods* in 1922, and her first novel, *The Indians: A Narrative of Events Concerning the Johnson Family of St. Mary's*, in 1932. Both works reflect Lewis's interest in Native American culture. After a handful of other historical novels set in Europe, Lewis published *The Wife of Martin Guerre*, the historical French novel for which she is best known. Lewis's poetry and prose has received acclaim from many prominent literary figures, such as Donald E. Stanford and poet Theodore Roethlis. In 1995, Lewis died at 77 years old in Los Altos, California.

HISTORICAL CONTEXT

The Wife of Martin Guerre is based on the real sixteenth-century trial of a man who was accused of impersonating a French peasant, Martin Guerre, had been away from his family for three years. Ultimately, the court concluded the man of being an impostor by the name of Arnaud du Tilh. As well as this specific historical event, *The Wife of Martin Guerre* reflects the culture and tensions of sixteenth-century France. At the start of the sixteenth century, the Renaissance comes to Paris, bringing modern styles, ideas, and values that clash with the traditional values still held by the feudal peasant villages. Furthermore, religious conflict between Protestants and Catholics across France causes many outbreaks of violence.

RELATED LITERARY WORKS

Lewis's poetry collections, *The Indians in the Woods* and *The Dear Past and Other Poems*, like *The Wife of Martin Guerre*, showcase Lewis's fiction and fascination with history. Also set in France, *The Princess of Cleves* by Madame de La Fayette tells a similar story of two women's complicated feelings about being toward between two men. *The Romance of the Rose* by Arn

Rakoff conducts a similar exploration of morality in changing society. Also a historical novel, Donald Swift's *The Pilgrim* keeps an engaging historical novel of Renaissance Italy tells the story of a girl caught between loyalty to her country and to her family.
