The author, an experienced professional developer and teacher, provides a powerful framework for analyzing classroom instruction with regard to ideals of stance, relevance, access, identity, and agency. Chapters provide models that have worked in real classrooms, including a model for developing units of study in social justice. The final chapter addresses how educational leaders can create conditions for socially just teaching and learning in today's diverse schools. This book features a focus on the challenges teachers are likely to face, particularly in schools with struggling, disengaged students, strategies for responding to critical moments in the classroom, lesson plans, and vignettes from urban schools, and leadership principles for putting socially just teaching into action. **Confessions of a Mask by Yukio Mishima (Book Analysis)** Bright Summaries,2018-06-12 Unlock the more straightforward side of *Confessions of a Mask* with this concise and insightful
