

Competency 8: The ESL teacher understands the foundations of ESL Education and types of ESL programs.

- History of ESL Education
 - Started as early as the 1950's due to the Cold War competition and the race to space.
 - 1954 *Brown vs Board of Education*: established the principle of equal access to educational opportunity for all Americans. It also help shift attitudes toward a greater acceptance of diversity, including language diversity.
 - 1964- Title VI of the Civil rights Act prohibited discrimination in federally funded programs and established that every student has the right to meaningful and effective instruction.
 - 1965- Equal Educational Opportunities Act (EEOA)- This was the first major federal foray into education policy . "No state shall deny educational opportunities to an individual on account of his or her race, color, sex, or national origin by (f) the failure of an educational agency to take appropriate action to overcome language barriers that impede equal participation by its students in its instructional programs."
