The Paradox of Damian Clinton "Jawad" Pace, 2014-04-08 The Paradox Of Damian is about love and family but I'm open for argument Some will argue that The Paradox Of Damian is about hate And I understand after all a lot of people die in this book If I have to argue I think that one of my arguments will be for one to study the parables that dom the pages of the great spiritual book called the Bhagavad Gita a book studied by such as the likes of a Albert Einstein It was the great Mahatma Ghandi who called the Bhagavad Gita Spiritual Mother In essence I believe that the main characters in The Paradox Of Damian kill out of love and not hate The Paradox Of Damian touches on politics My personal opinion is that one's politics doesn't matter If the underline theme in one

s heart isn't about love then they probably shouldn't read this book there are many millions more to read And last but certainly not least if in this new millennium one is racist or are offended by gay people or both then you probably shouldn't read this book there are many books out there for you too Rather one reads this book or not thanks for reading period May the Universe always bless you The Publishers' Trade List Annual ,1902 *Sergeant, Police Department* Arco Publishing Company,1955
