Novels of Everyday Life Laurie Langbauer, 2019-05-15 Laurie Langbauer argues that our worldview is shaped not just by great public events but also by the most overlooked and familiar aspects of common life the everyday This sphere of the everyday has always been a crucial component of the novel but has been ignored by many writers and critics and long associated with the writing of women Focusing on the linked series of novels characteristic of later Victorian and early modern fiction such as Margaret Oliphant s Carlingford Chronicles or the Sherlock Holmes stories she investigates how authors make use of the everyday as a foundation to support their versions of realism What happens when in the series novel or in contemporary theory the everyday becomes a site of contestation and debate Langbauer pursues this question through the novels of Margaret Oliphant Charlotte Yonge Anthony Trollope and Arthur Conan Doyle and in the writings of Dorothy Richardson Virginia Woolf and John Galsworthy as they reflect on their Victorian predecessors She also explores accounts of the everyday in the works of such theorists as Henri Lefebvre Michel de Certeau and Sigmund Freud as well as materialist critics including George Lukacs Max Horkheimer and Theodor Adorno Her work shows how these writers link the series and the everyday in ways that reveal different approaches to comprehending the obscurity that makes up daily life

Paris by the Book Liam Callanan, 2019-01-15 NATIONAL BESTSELLER A missing person a grieving family a curious clue a half finished manuscript set in Paris Once a week I chase men who are not my husband When eccentric novelist Robert Eady abruptly

vanishes he leaves behind his wife Leah their daughters and hidden in an unexpected spot plane tickets to Paris Hoping to uncover clues and her husband Leah sets off for France with her girls Upon their arrival she discovers an unfinished manuscript one Robert had been writing without her knowledge and that he had set in Paris The Eady girls follow the path of the manuscript to a small floundering English language bookstore whose weary proprietor is eager to sell Leah finds herself accepting the offer on the spot As the family settles into their new Parisian life they trace the literary paths of some beloved Parisian classics including Madeline and The Red Balloon hoping more clues arise But a series of startling discoveries forces Leah to consider that she may not be ready for what solving this mystery might do to her family and the Paris she thought she knew Charming haunting and triumphant Paris by the Book follows one woman s journey as she writes her own story exploring the power of family and the magic that hides within the pages of a book *A/AS Level English Literature B for AQA Student Book* Carol Atherton,Andrew Green,Gary Snapper,2015-06-04 A new series of bespoke full coverage resources developed for the 2015 A Level English qualifications Endorsed for the AQA A AS Level English Literature B specifications for first teaching from 2015 this print Student Book is suitable for all abilities providing stretch opportunities for the more able and additional scaffolding for those who need it Helping bridge the gap between GCSE and A Level the unique three part structure focuses on texts within a particular time period and supports students in interpreting texts and reflecting on how writers make meaning An enhanced digital version and free Teacher s Resource are also available **Literature** ,1899

West,2019-04-15 Literary Depictions of Dangerous Reading explores how selected American and European literary texts from the classic to the contemporary represent reading as a dangerous endeavor It investigates how the texts being read or the conditions of reading may produce danger and considers the various qualities of the dangers depicted literal or metaphorical real or imagined minor or mortal Whereas readers can readily imagine being depressed or bored by a book or even perhaps corrupted in some moral fashion readers typically assume that the mere words on a page cannot directly affect their health Nevertheless literature can and does stage readings in which readers suffer actual harm from the magical or supernatural qualities of a given text Such impossibly dangerous reading fascinates the author argues by exaggerating the dangers that may inhabit certain real experiences of reading **Correspondence, 1939 - 1969** Theodor W. Adorno,Gershom

Scholem,2021-05-06 At first glance Theodor W Adorno s critical social theory and Gershom Scholem s scholarship of Jewish mysticism could not seem farther removed from one another To begin with they also harbored a mutual hostility But their first conversations in 1938 New York were the impetus for a profound intellectual friendship that lasted thirty years and produced more than 220 letters These letters discuss the broadest range of topics in philosophy religion history politics literature and the arts as well as the life and the work of Adorno and Scholem s mutual friend Walter Benjamin Unfolding with the dramatic tension of a historic novel the correspondence tells the story of these two intellectuals who faced tragedy destruction and loss but also participated in the efforts to reestablish a just and dignified society after World War II Scholem immigrated to Palestine before the war and developed his pioneering scholarship of Jewish mysticism before and during the problematic establishment of a Jewish state Adorno escaped Germany to England and then to America returning to Germany in 1949 to participate in the efforts to rebuild and democratize German society Despite the differences in the lifepaths and worldviews of Adorno and Scholem their letters are evidence of mutual concern for intellectual truth and hope for a more just society in the wake of historical disaster The letters reveal for the first time the close philosophical proximity between Adorno s critical theory and Scholem s scholarship of mysticism and messianism Their correspondence touches on questions of reason and myth progress and regression heresy and authority and the social dimensions of redemption Above all their dialogue sheds light on the power of critical materialistic analysis of history to bring about social change and prevent repetition of the disasters of the past

The Art of Finding Springs, 2nd Edition Abbé Paramelle,2019-05-16 Abb Paramelle 1790 1875 published The Art of Finding Springs in 1856 as a how to manual for finding groundwater Paramelle began his field research into springs on a karst plateau in southwestern France Between 1833 and 1854 upon request Paramelle explored 40 of France s departments and found groundwater in 10 000 places based on his observational method which used geology and geomorphology at a time when these sciences were in their infancy Paramelle s method was used until the 1970s to find groundwater in the French Department of Lot Although the book was translated into German and Spanish in the mid 1800s this is the first English translation The translator has included detailed notes and an introduction providing extensive historical background about this largely unknown hydrogeologist
