The Letters of General Richard S. Ewell Donald C. Pfanz,2012-12-20 The Letters of General Richard S Ewell provide a sweeping view of the nineteenth century Such chronological breadth makes this volume truly exceptional and important Through Ewell s eyes we see the many worlds of an American people at war His thoughtful observations biting wit and ironic disposition offer readers a chance to rethink the paper thin generalizations of Ewell as a quirky neurotic who simply crumbled under the legacy of Stonewall Jackson from the foreword by Peter S Carmichael Richard S Ewell was one of only six lieutenant generals to serve in Lee s Army of Northern Virginia and of those he was but one of two the other being Stonewall Jackson his predecessor as commander of the Second Corps to have left behind a sizable body of correspondence Forty nine of Ewell s letters were published in 1939 This new volume drawing on more recently available material and scrupulously annotated by Ewell biographer Donald Pfanz offers a much larger collection of the general s missives 173 personal letters 7 official letters 4 battle narratives and 2 memoranda of incidents that took place during the Civil War The book covers the full range of Ewell s career his days at West Point his posting on the western frontier his role in the Mexican War his Civil War service and finally his postwar years managing farms in Tennessee and Mississippi Some historians have judged Ewell harshly particularly for his failure to capture Cemetery Hill on the first day at Gettysburg but Pfanz contends that Ewell was in fact a brilliant combat general whose overall record which included victories at the battles of Cross Keys Second Winchester and Fort Harrison was one of which any commanding officer could be proud Although irritable and often critical of others Ewell s correspondence shows him to have been generous toward subordinates modest regarding his own accomplishments and upright in both his professional and personal relationships His letters to family and friends are a mixture of wry humor and uncommon sense No one who reads them will view this important general in quite the same way again DONALD C PFANZ is the author of *Richard S Ewell A Soldier s Life Abraham Lincoln at City Point and War So Terrible A Popular History of the Battle of Fredericksburg* Who's who in New York City and State ,1911 Containing authentic biographies of New Yorkers who are leaders and representatives in various departments of worthy human achievement including sketches of every army and navy officer born in or appointed from New York and now serving of all the congressmen from the state all state senators and judges and all ambassadors ministers and consuls appointed from New
