David Baud

The Visual Spectacle Of Witchcraft In Jacobean Plays Blackfriars Theatre:

The Visual Spectacle of Witchcraft in Jacobean Plays Shokhan Rasool Ahmed, 2014-10-13 The Visual Spectacle of Witchcraft in Jacobean Plays Blackfriars Theatre is an ideal reference for early modern scholars and lecturers who seek a thorough and practical guide to stage directions in print and performance and paying particular attention to the early texts as evidence of performance practice Stage directions here are re thought in the light of early theatre practice and the issues of stage directions as evidence of performance practice and later interpolations in association with witchcraft of several Jacobean plays can be found in this book This book includes a general introduction to Blackfriars witchcraft plays and the Jacobean theatre a chronology suggestions for further reading and discussing performance options on both indoor and outdoor playhouses and a commentary The illuminating and informative general introduction and the short introductions to individual plays have been revised in the light of current scholarship The Staging of Witchcraft and a "Spectacle of Strangeness" Shokhan Rasool Ahmed, 2014-10-09 The Staging of Witchcraft and a Spectacle of Strangeness Witchcraft at Court and the Globe presents a new interest in Continental texts on witchcraft coincided with technological advances in the English stage which made a variety of dramatic effects possible in the private playhouses such as flying witches and the appearance of spirits and deities in Elizabethan plays This book also evaluates how the technology of the Blackfriars playhouse facilitated the appearance of spirits devils witches magicians deities and dragons on stage The study investigates the visual spectacle of witchcraft scenes which intersect with the genre of the plays and it also presents to what extent changing theatrical tastes affect the way that supernatural characters are shown on stage **Moving Shakespeare Indoors** Andrew Gurr, Farah Karim-Cooper, 2014-03-06 Shakespeare's company the King's Men played at the Globe and also in an indoor theatre the Blackfriars The year 2014 witnessed the opening of the Sam Wanamaker Playhouse based on seventeenth century designs of an indoor London theatre and built within the precincts of the current Globe on Bankside This volume edited by Andrew Gurr and Farah Karim Cooper asks what prompted the move to indoor theatres and considers the effects that more intimate staging lighting and music had on performance and repertory It discusses what knowledge is required when attempting to build an archetype of such a theatre and looks at the effects of the theatre on audience behaviour and reception Exploring the ways in which indoor theatre shaped the writing of Shakespeare and his contemporaries in the late Jacobean and early Caroline periods this book will find a substantial readership among scholars of Shakespeare and Jacobean theatre history *King James and the Theatre of Witches* Dawn Adrienne Saliba, 2022-04-08 This book presents a cultural analysis of King James I of England's evolving perspectives regarding witchcraft and his influence upon the witch plays of Renaissance England Early on during the Stuart monarch's reign in Scotland 1588 1591 James directed a fevered hunt of witches whom he believed were trying to assassinate him an event that later came to be known as The North Berwick Affair He played a direct role in the interrogations personally approving and at times overseeing the

horrific torture of some of the accused In 1597 the monarch also penned a compendium of witchcraft lore entitled *Daemonologie* which acted as a manual for identifying interrogating and punishing witches Once the King ascended to the British throne London based dramatists endeavored to please their monarch with plays that catered to his interests while at the same time subverting his beliefs in witchcraft lore The King's works and involvement in witchcraft trials are notably referenced sometimes satirically in William Shakespeare's *Macbeth* Ben Jonson's *Masque of Queenes* Thomas Middleton's *The Witch* and Dekker Rowley and Ford's *The Witch of Edmonton* all of which respond to the King's philosophical engagement with witchlore Through the analysis of four Jacobean witch plays and an examination of King James's role within the witchcraft debates and his involvement with contemporaneous witch trials this work shows how the monarch's various publications on witchlore transmuted stage and culture Taken as a group these dramas provide a window into the newly emergent humanism of the Renaissance world and its struggle with gender driven categories especially regarding the cultural praxis of accusing torturing and executing witches

Three Jacobean Witchcraft Plays Peter Corbin, Douglas Sedge, 1986 For Jacobean society witchcraft was a potent and very real force an area of sharp controversy in which King James I himself participated and a phenomenon that attracted many dramatists and writers The three plays in this book *Sophonisba* *The Witch* and *The Witch of Edmonton* reflect the variety of belief in witches and practice of witchcraft in the Jacobean period Jacobean understanding of witchcraft is illuminated by the close study of these contrasting texts in relation to each other and to other contemporary works *The Masque of Queenes* *Dr Faustus* *Macbeth* and *The Tempest* The introduction and detailed commentaries explore the considerable theatrical potential of plays which with the exception of *The Witch of Edmonton* have been hitherto lost to the dramatic repertory

The Witch of Edmonton John Ford, Thomas Dekker, William Rowley, 2014-06-18 It is a historical phenomenon that while thousands of women were being burnt as witches in early modern Europe the English although there were a few celebrated trials and executions one of which the play dramatises were not widely infected by the witch craze The stage seems to have provided an outlet for anxieties about witchcraft as well as an opportunity for public analysis *The Witch of Edmonton* 1621 manifests this fundamentally reasonable attitude with Dekker insisting on justice for the poor and oppressed Ford providing psychological character studies and Rowley the clowning The village community of Edmonton feels threatened by two misfits Old Mother Sawyer who has turned to the devil to aid her against her unfeeling neighbours and Frank who refuses to marry the woman of his father's choice and ends up murdering her This edition shows how the play generates sympathy for both and how contemporaries would have responded to its presentation of village life and witchcraft

The Staging of Witchcraft in the Jacobean Theatre Shokhan Rasool Ahmed, 2014

The Witch Thomas Middleton, 1994-08-25 This play written in the early 1600s is an ironic comedy which offers contrast and comparison with Shakespeare's *Macbeth* in its handling of witchcraft It includes a biography of the writer a critical introduction discussion of dates and sources and is fully annotated

Scepticism and Belief in English

Witchcraft Drama, 1538-1681 Eric Pudney, 2019 This book explores the representation of witchcraft in early modern drama situating it within the discourse of scepticism and credulity that characterised the witchcraft debate and the historical events which inspired much witchcraft drama It covers the drama of the Elizabethan period and the Restoration as well as Jacobean witch plays *Three Jacobean Witchcraft Plays* Peter Corbin, 1986 **The Witch of Edmonton** Lucy Munro, 2016-12-15 On 19 April 1621 a woman named Elizabeth Sawyer was hanged at Tyburn Her story was on the bookstalls within days and within weeks was adapted for the stage as *The Witch of Edmonton* The devil stalks Edmonton in the shape of a large black dog and just as Elizabeth Sawyer makes her demonic pact the newlywed Frank Thorney enters into his own dark bargain in the shape of a second bigamous marriage Torn between sympathy for Sawyer and Thorney and a clear eyed assessment of their crimes the play was the finest and most nuanced treatment of witchcraft that the stage would see for centuries Lucy Munro s introduction provides students and scholars with a detailed understanding of this complex play Witchcraft in Jacobean Drama Hazel Marie Frasch Anderson, 1930 *Different Perceptions of Witches and Witchcraft in Three Jacobean Plays* , 2000

Decoding **The Visual Spectacle Of Witchcraft In Jacobean Plays Blackfriars Theatre**: Revealing the Captivating Potential of Verbal Expression
