The Theology of the Westminster Standards J. V. Fesko, 2014-06-30 For centuries countless Christians have turned to the Westminster Standards for insights into the Christian faith These renowned documents first published in the middle of the 17th century are still considered by many to be some of the most beautifully written summaries of the Bible's teaching ever produced Church historian John Fesko walks readers through the background and theology of the Westminster Confession the Larger Catechism and the Shorter Catechism helpfully situating them within their original context Organized according to the major categories of systematic theology this book utilizes quotations from other key works from the same time period to shed light on the history and significance of these influential documents

The Creedal Imperative Carl R. Trueman, 2012-09-30 Recent years have seen a number of high profile scholars converting to Roman Catholicism and Eastern Orthodoxy while a trend in the laity expresses an eclectic hunger for tradition The status and role of confessions stands at the center of the debate within evangelicalism today as many resonate with the call to return to Christianity's ancient roots Carl Trueman offers an analysis of why creeds and confessions are necessary how they have developed over time and how they can function in the church of today and tomorrow He writes primarily for evangelicals who are not particularly confessional in their thinking yet who belong to confessional churches Baptists independents etc so that they will see more clearly the usefulness of the church's tradition

Reformed Systematic Theology, Volume 1 Joel Beeke, Paul M. Smalley, 2019-03-14 The church needs good theology that engages the head heart and hands This four volume work combines rigorous historical and theological scholarship with application and practicality characterized by an accessible Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley explore the first two of eight central themes of theology revelation and God

Dahl,2025-05-30 An in depth breakdown of the theological and exegetical basis for salvation amongst the unevangelized in Reformed theology What is the fate of those who never hear the gospel What becomes of the unevangelized Does Reformed theology allow for belief that some even many who never hear the gospel are saved and if so what might that look like Perhaps more importantly does Scripture provide any hope for their salvation A standard answer from the Reformed tradition is that those who never hear the gospel are simply not elect if they were God in His sovereignty would have sent the gospel to them Yet the Westminster Confession affirms the reality of other elect those incapable of being outwardly called by the ministry of the Word WCF 10.3 Many luminaries of the Reformed tradition W G T Shedd A A Hodge John Gerstner Douglas F Kelly Philip
