The White Peacock:

The White Peacock David Herbert Lawrence, 1955 Lawrence's first novel is a compelling exploration of the estrangements of modern life Focusing on three very different relationships Lawrence exploits the language and conventions of the rural tradition to foreground man's alienation from the natural world The White Peacock D. H. Lawrence, 2015-02-25 Lawrence's first novel is set in the Eastwood area of his youth and involves such themes as the damage associated with mismatched marriages and the border between town and country The book includes some notable descriptions of nature and the impact of industrialisation with a provincialism that may be compared with that of George Eliot and Thomas Hardy *The White Peacock (Romance Classic)* D. H. Lawrence, 2019-12-18 The White Peacock is set in Nethermere and is narrated by Cyril Beardsall whose sister Laetitia is involved in a love triangle with two young men George and Leslie Temple She decides to marry Leslie even though she feels sexually drawn to George Spurned by Lettie George marries the conventional Meg Both his and Lettie's marriages end in unhappiness as George slides into alcoholism The novel involves themes such as the damage associated with mismatched marriages and the border country between town and country **The White Peacock: A Novel (Classic Reprint)** D. H. Lawrence, 2015-09-27 Excerpt from The White Peacock A Novel I stood watching the shadowy fish slide through the gloom of the mill pond They were grey descendants of the silvery things that had darted away from the monks in the young days when the valley was lusty The whole place was gathered in the musing of old age The thick piled trees on the far shore were too dark and sober to dally with the sun the weeds stood crowded and motionless Not even a little wind flickered the willows of the islets The water lay softly intensely still Only the thin stream falling through the mill race murmured to itself of the tumult of life which had once quickened the valley I was almost startled into the water from my perch on the alder roots by a voice saying Well what is there to look at My friend was a young farmer stoutly built brown eyed with a naturally fair skin burned dark and freckled in patches He laughed seeing me start and looked down at me with lazy curiosity I was thinking the place seemed old brooding over its past He looked at me with a lazy indulgent smile and lay down on his back on the bank saying It's all right for a doss here About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The White Peacock Volume 2 D. H. Lawrence, 2018-06-19 The White Peacock Volume 2 By D H Lawrence Focusing on three relationships one destructively stillborn one disastrously unfulfilling and one passionately unspoken Lawrence exploits the language and conventions of the rural tradition to foreground man's alienation from the natural world

His evocation of the vanishing countryside of the English midlands as seen through the eyes of the effete Cyril Beardsall is both vivid and arresting and as the novel draws towards its tragic conclusion Lawrence handles his themes with an increasingly visionary power. *The White Peacock* is both a fascinating precursor of the more famous novels to come and a moving and challenging book in its own right. Underrated novel and shows how Lawrence was already breaking the mould of English fiction. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades.
