

Summary

The 19th-century American poet Emily Dickinson is the author of "I Felt a Funeral, in My Brain." She wrote the poem around 1863, and, like nearly all of her poems, she didn't publish it when she was alive. Dickinson led a solitary life in Amherst, Massachusetts, interacting with few people besides select family members and friends. Her isolation has led to speculation about her character and identity. Some suggest she was a victim of sexism, while others argue she was a singular individual who preferred books and imagination to the outside world. The poem showcases Dickinson's imagination, exploring the processes of death and/or deep suffering. The poem argues that to gain knowledge about death or emotional pain, a person has to face it head-on. "I Felt a Funeral, in My Brain" is one of Dickinson's many capricious poems about suffering and death, and it features the jarring dashes, unique capitalization, dramatic and puzzling diction, and contradicting interpretations that make up her idiosyncratic style.

Poet Biography

Emily Dickinson was born in Amherst, Massachusetts, on December 10, 1830. Her family was prestigious, and her father was a prominent politician and lawyer. Dickinson attended Amherst Academy and the Mount Holyoke Female Seminary, educational institutions for the children of wealthy families. As a young person, Dickinson was social. She liked parties, sleigh rides, and had romantic interests. However, after returning from Mount Holyoke Female Seminary, Dickinson became less enthusiastic about meeting most people.

Dickinson's financial independence meant that she did not have to earn a living or marry. She spent most of her time reading and writing, composing around 1,800 poems on envelopes and bits of paper. The poems are difficult to read and possess neither titles nor dates. After Dickinson died in 1886, her younger sister Lavinia found a locked box of Dickinson's work. Dickinson's close friend and sister-in-law Susan, the wife of Dickinson's older brother Austin, declined to help publish the poems.

Eventually, Mabel Loomis Todd—a writer who had an affair with Austin—stepped in, transcribing and editing over 600 poems. Todd tried to make Dickinson's poems less peculiar. She replaced Dickinson's dashes with commas and standardized her capitalization. A faithful publication of Dickinson's work didn't arrive until 1955, when Thomas Johnson edited a
