The Third Day:

The Third Day L.P. Hoffman, 2025-03-25 The gripping conclusion of a modern day epic suspense trilogy about faith hope and providence in times of cultural upheaval and national insecurity In the gripping conclusion of The Third Peril Trilogy The Third Day follows the lives of a disillusioned journalist a young political blogger a reluctant lawyer his heartbroken sister and her son and the sojourners at Hope Springs Be sure to watch for Zeke the mysterious old man with a long white beard who wears Hawaiian shirts He drives a Rambler station wagon with a seemingly endless tank of gas as he weaves in and out of the lives of each character The geopolitical landscape is changing rapidly Alistair Dormin Chairman of the World Reserve Bank has secured his position as the global leader and he is now imposing even stricter policies on economic activities free speech and religion All over the world people must now make life or death decisions But what will you do in the end *The Third Day* Donald A. Moss, 2002-01-21 Just as Christ was raised from the dead on the third day a powerful supernatural event is about to occur on the earth From an obscure Old Testament prophecy comes the shocking prediction of an explosion of heavenly power that will bring healing and revival in a time period identified as the Third Day Dr Donald A Moss takes you on a whirlwind journey into the realm of prophetic revelation to witness the coming in of an exciting new spiritual order on the earth You ll discover The proceeding Word of God Why modern day Apostles will soon appear Why celebrity ministries will fade away How 3 terrible enemies will soon arise from within the modern Church you ll be given a psychospiritual profile of each enemy that will pinpoint who they are What is about to happen in the coming worldwide economic crisis and why it will actually aid the revival of the Third Day How a new order of unity will bring people of all races and backgrounds together How you can live a supernatural lifestyle in the coming days The Third Day presents intelligent evidence that a Divine flashpoint is drawing near From the biblical perspective a day is as a thousand years Two thousand years or two days of grace have elapsed since the death and resurrection of Jesus The third day or the third one thousand year period from the time of Christ will be a time of finishing grace when the Spirit of the Lord is poured out upon all flesh It will be as the lightning comes out of the east and shines into the west to prepare believers for the coming of Christ in the clouds The modern Church must shake the dust of its former understandings and acknowledge this awesome possibility Dr Donald A Moss **The Third Day Explained** José Luis Rodríguez Calderón, 2023-09-23 A messenger of God s words and chosen by Jesus to share them with the world Jos Luis Rodr guez Calder n offers Christians from spiritual leaders to those looking for reassurance during times of faltering faith and everyone in between brand new insight into the Scriptures in his latest book *The Third Day Explained* is a compilation of some of the spiritual messages that God personally revealed to the author during his studies of the Scriptures Most people don t notice when God wants to reveal new information to them in the form of spiritual revelation Or they may read something but not fully understand the spiritual meaning until the time is right That is what happened here for Rodr guez Calder n and he hopes that in sharing it readers will also receive guidance All that s

Hinshaw,2011-03-10 In the process of writing two short collections of light hearted material one published and one yet to be published the author became acutely aware that he could not continue forward without addressing what he considered to be the most important issues of human existence All of us have asked ourselves the questions What is the meaning of life and Why am I here Some have rejected the idea of an eternal soul some are undecided while others are largely unconcerned but the author has chosen to embrace the concept and run with it He believes there is a single overriding mission for every individual alive today The sole purpose of this life is to prepare for the next one and every person has been given the ability to control his own destiny When compared to eternity our lives are like a single knot in a rope that stretches around the world From the foundation of the earth a plan has been in place to allow humanity to share the wonders of eternity with the Creator of all things Those who follow that plan will be rewarded accordingly while those who prefer to separate themselves from the influence of a Higher Power will be granted their wish in eternity If this book convinces one person to follow the plan that leads to redemption then it will have been well worth the effort

Is the Bible True? David Robert Ord,Robert B. Coote,2018-03-07 Is the Bible True offers a lively down to earth look at the origins and nature of the Bible Minister David Ord and biblical historian Robert Coote address many of the questions raised when ordinary lay readers come face to face with dilemmas posed by modern biblical scholarship Part I begins with the question of how the Bible should be read Is the Bible True traces the experience of a person who has grown up reading the Bible literally but who on closer inspection discovers that literally is not nearly literal enough The study of Scripture that ensues leads to a new approach to reading the Bible and uncovering its meaning for today Part II asks how the Bible came to be Who began the writing process and when How were the books collected into the form we know now Exactly what kind of book is the Bible Part III shows how understanding the history and reality of the Bible can make reading it a more meaningful experience especially in sorting out the difficult issues that confront us every day Is the Bible True succeeds in showing how a more sophisticated understanding of the scriptures can enhance rather than undermine faith It is required reading for everyone who reads and studies the Bible

Tabb,2021-11-17 The church s mission does not begin with the Great Commission but is integrally related to the grand storyline of Scripture Did the Old Testament simply point to the coming of Christ and his saving work or is there more to the story After his resurrection the Lord Jesus revealed how his suffering glory and mission plan for the nations are in fact central to the biblical story of redemption After Emmaus shows how Christology and missiology are integrally connected throughout Scripture especially in the teaching of Jesus and the apostles Brian Tabb explains what Luke 24 46 47 reveals about God s messianic promises in the Old Testament their fulfillment in the New Testament and the purpose of the church By understanding Jesus s last words to his disciples Christians today will be motivated to participate in the Messiah s mission
