

A photograph of a band performing in a cave-like setting. The scene is dimly lit with blue and purple stage lights. The band consists of seven members: a woman on the far left in a dark dress, a man in a blue shirt, a man in a dark sweater, a man in a dark suit playing a guitar, a man in a dark shirt playing a guitar, a woman in a dark dress, and a man in a dark shirt on the far right. They are all standing and performing. The background is a rough, rocky wall with some small openings. The floor is dirt. The title "BECAUSE HE LIVES" is overlaid in large white letters, and "HEBREW AND ENGLISH" is overlaid in smaller blue letters below it.

how to be a good doctor as well as an unbiased assessment of what is wrong with today's NHS. It also explains why today's politicians, medical schools and doctors will resist the changes that are needed to put the patients' needs first again. The Academy, 1876 **Modern Woodman Magazine** Frank O. Van Galder, 1927 *Acts of Care* Sara Ritchey, 2021-03-15

In *Acts of Care* Sara Ritchey recovers women's healthcare work by identifying previously overlooked tools of care: healing prayers, birthing indulgences, medical blessings, liturgical images and penitential practices. Ritchey demonstrates that women in premodern Europe were both deeply engaged with and highly knowledgeable about health, the body and therapeutic practices, but their critical role in medieval healthcare has been obscured because scholars have erroneously regarded the evidence of their activities as religious rather than medical. The sources for identifying the scope of medieval women's health knowledge and healthcare practice, Ritchey argues, are not found in academic medical treatises. Rather, she follows fragile traces detectable in liturgy, miracles, poetry, hagiographic narratives, meditations, sacred objects and the daily behaviors that constituted the world as well as in testaments and land transactions from hospitals and leprosaria established and staffed by beguines and Cistercian nuns. Through its surprising use of alternate sources, *Acts of Care* reconstructs the vital caregiving practices of religious women in the southern Low Countries, reconnecting women's therapeutic authority into the everyday world of late medieval healthcare. Thanks to generous funding from the University of Tennessee Knoxville, the ebook editions of this book are available as Open Access (OA) volumes from Cornell Open (cornellpress.cornell.edu/cornell-open) and other Open Access repositories.

Conspiracy Theory in Turkey Julian de Medeiros, 2018-05-21 Turkey is witnessing an era of political upheaval. From the Gezi protests in 2013 to the attempted military coup of 2016, the concept of post truth plays a significant role in Turkish politics today. In the chaos of conspiracy theories, hidden enemies and post coup purges, the unreal merges with the real, fuelling political repression and anti government sentiment alike. Julian de Medeiros here analyses the many unfolding challenges of Erdogan's New Turkey and shows how a fixedly Turkish style of post truth has taken root. Examining the relationship between conspiracy theory and post truth, this book sheds light on the strategies of political paranoia that threaten to undermine the success of Turkey's democratic model. De Medeiros argues that both the Gezi protests and the failed coup attempt need to be considered alongside the emerging anti democratic and conspiratorial tendencies of an increasingly authoritarian Turkish government. As Turkish democracy continues to evolve with breath taking speed and unpredictable outcomes, de Medeiros shows how the rise of paranoid politics in Turkey constitutes part of a global trend towards post truth narratives. He situates Turkish democracy as subject to a global resurgence of strongman leadership and antagonistic populism. *Conspiracy Theory in Turkey* presents the very first critical account of the Turkish model of a post truth politics. Through a counter intuitive analysis of conspiracy theory and paranoid politics, the book disentangles the real from the unreal and chronicles the emergence of post truth in Turkey today.
