The Tomb In Turkey A Fethering Mystery:

The Tomb in Turkey Simon Brett, 2015-03-01 Carole and Jude's Turkish holiday takes a murderous turn in the new Fethering mystery. Carole Seddon has never enjoyed holidays much. Nevertheless, she has allowed herself to be persuaded by her friend Jude to accept a fortnight's free accommodation at a luxurious Turkish villa owned by Jude's property developer friend Barney Willingdon. But from the outset the holiday is marred by a series of menacing incidents: threatening messages daubed on the villa walls and their host being accosted by a knife-wielding man at a local restaurant. As Carole and Jude launch into what they do best—investigating—it becomes clear that Barney Willingdon has made plenty of enemies with his ruthless business deals and complicated love life. Matters come to a head when Carole's sightseeing trip to nearby Pinara is curtailed by the discovery of a body in one of the ancient Lycian tombs. And what really did happen to Barney's first wife Zoe?

The Liar in the Library Simon Brett, 2017-12-24 When an author event at the local library ends in murder, Jude finds herself a suspect in the waspishly witty new Fethering mystery. Having been booked to give a talk at Fethering Library, successful author Burton St Clair invites his old friend Jude to come along. Although they haven't met for twenty years, Jude is not surprised to find that St Clair hasn't changed with his towering ego and somewhat shaky relationship with the truth. What Jude hadn't been suspecting, however, was that the evening would end in sudden violent death. More worrying from Jude's point of view is the fact that the investigating police officers seem to be convinced that she herself was responsible for the crime. With the evidence stacking up against her, Jude enlists the help of her neighbour Carole, not just to solve the murder but to prevent herself from being arrested for committing it.

The Killing in the Café Simon Brett, 2016-03-01 The wickedly entertaining new Fethering mystery featuring chalk and cheese detective duo Carole and Jude. Polly's Cake Shop has been a feature of the shopping parade for many years, but when its owner announces her retirement, the Fethering residents start to worry about the loss of this popular amenity. Alarmed by rumours that the café might become a Starbucks, a group clubs together to form the Save Polly's Cake Shop Action Committee. The plan is that Polly's should become a community venture managed and run by volunteers from the village. Roped in to help, Jude finds the committee meetings fraught with petty power struggles, clashing personalities and monstrous egos. Matters take a turn for the worse when she and Carole come across a badly decomposed body on Fethering beach and uncover a link to Polly's. Not only do the two neighbours have to find out whodunit; they are also faced with the thorny question: is it possible to run a business on that most volatile of commodities—goodwill?
