Thomas,2006-04-18 Prologue Ft Lauderdale Florida is a waterfront city that has long been a playground for the rich and
famous Million dollar homes nestle alongside multi million dollar estates all of which are built along interconnecting
waterways It is a city where boats number in the tens of thousands Naturally such a concentrated abundance of wealth has
served to upstart a vast number of waterfront cafes and bars from which party goers and fine diners alike may watch the
nightly parade of expensive yachts as they transient the Intracoastal Waterway It is a parade of affluence and decadence at
its finest The Gold Coast of Florida is an area where wealth goes beyond measurement and is perpetual There always has
been and always will be someone bigger and faster someone with a larger yacht a faster car a sleeker jet The possibilities are
directly proportionate to desire and the sky is the limit Competition is fierce perhaps even audacious Yet that only serves to
attract the wealthy It is a melting pot for the rich However for many it has also been their waterloo Trust Fund Babies young
recipients of inherited fortunes flock from near and far to jockey into position as potential suitors for devastatingly beautiful
women Those in the know often refer to those beauties as Zoologists When referred to in this context a Zoologist is one who
is on the hunt for four particular species a jaguar in her garage a mink in her closet a tiger in her bed and a jackass who will
pay for it all without questions asked Unfortunately those not in the know must learn Many a wealthy man has relocated to Ft
Lauderdale Florida to show them how it is done only to find himself well laid but penniless some three years later Of course
as with any game of desire the have nots are always figuring a means to compete with the haves Enter crime cons strippers
smugglers gambling it would be necessary to update the list daily for imagination and desire know no holiday There is but
one desire one goal and that desire knows no discrimination whatsoever In order to compete with the haves one needs
nothing more than a burning desire to become a Player This is a story of some of those Players so please read on if you dare
