The Uncrowned King The Sun Sword:

Uncrowned King: The Sun Sword #2 Michelle West, 1998-09-01 The uneasy peace within the Dominion's borders was shattered when treacherous forces seized the crown by slaughtering all members of the ruling Clan Leonne. Now in a neighboring empire the sole surviving heir to the throne, a young man never destined to rule, must prove his worthiness to claim the crown even as his family's murderers and their sinister demonic allies plot his doom. The Uncrowned King Michelle West, 2018-07-17 The second novel of the acclaimed Sun Sword series returns to a war-torn world of noble houses divided and demon lords unleashed. The King's Challenge, it was a proving ground for warriors in the Essalieyan Empire, the hallowed contest that made legends of men. And for Valedan, last survivor of the ruling family of the Dominion, it was a declaration of his right to claim the throne stolen from the Leonne clan by treachery and assassination. Failure to earn the title of King's Champion would not deprive Valedan of either his Dominion or Essalieyan allies, but winning would announce to the world that he was no callow boy, no mere pawn in the games of power. And the games of power were indeed being played, not only in the Empire and Dominion but in the far more dangerous realm of the Lord of Night. As the time of the Challenge neared, Valedan and all those who guarded him would be hard-pressed to survive long enough for him to enter the competition. For the demon kin had been set to hunt him down and destroy him. They had failed before, though many innocents had paid for the price. They must not fail again for slaying Valedan was but the opening gambit in a war that would free the Lord of Night to reign over all the mortal world. The Sun Sword Michelle West, 2004-01-06 The final novel of the acclaimed Sun Sword series concludes the epic of a war-torn world of noble houses divided and demon lords unleashed. The armies of Alesso di Marente and Valedan kai di Leonne are massing in the Terrean of Averda for the battle that will at last determine the rule of the Dominion. The Sun Sword is about to be delivered by Serra Diora to its rightful holder, Valedan, last surviving heir of the clan Leonne. But whether Valedan will be able to wield the sword or like the former kai el Sol will be consumed by its magic remains to be seen. The demon kin are gathering as well, and a dread spell is being worked which will, should it successfully reach completion, finally open the way for the Lord of Night to once again enter the mortal realm. And though many of the truly powerful have gathered upon the field, the entire course of the future may ultimately rest in the hands, heart, and soul of one being: Kiriell di Ashaf, daughter of the Lord of Night. , **Chains of Darkness, Chains of Light** Michelle Sagara, Michelle Sagara West, 2010-09 Erin of Elliath returns in this conclusion to the epic saga begun in the first three books in the Sundered series. Erin, formerly Lady Sara and now the legendary Lady of Mercy to the slaves of the Dark Empire, has just helped Renar, the rightful heir to the throne of Marantine, reclaim his kingship from an usurper. With the power of the Bright Heart waning under growing shadows of the Dark Heart, Erin and her friends must once again journey back into the Dark Empire where High Priests battle for supremacy and the First of the Sundered, Lord Stefanos, awaits the return of his Lady Sara. In this final volume, the old ways of the Light Heart and the Dark Heart will be changed forever.
