Disappeared Martin Matthew, 2021-12-17 How does a tiny village of ardent people in the Caribbean basin slowly disappear It was near perfection They valued all the essential virtues of humanity and human generosity ideals and kindness Discover the importance of the dynamic contributions made by nearly all of the citizens Operating solely to ameliorate society they naturally incorporated the equality and tolerance necessary for a vibrant and free community What made the village special was that the populace recognized and acknowledged that they were inseparable from nature an element so essential for the village s prosperity It was a place where culture folklore and heritage reigned They understood the necessity for rules ideals mores ethics and even unwritten customs and used them effectively in their daily activities This story explores the characters the meanings and essences of their lives and the great loss for humanity that their disappearance caused This is about the wholeness of their experiences rather than individual achievement A remarkable village with an impeccable human value that is no longer in existence it has simply disappeared
