The Volsung Project:

The Volsung Project Robert F. Corwin, M.D. ,2014-12 In September 1944 10 year old George Ames sees something impossible a German U Boat surfacing off the coast of Long Island New York As the lone witness George convinces himself that his imagination is to blame and quickly puts the memory of the event behind him Ten years later George crosses paths with one of the men who surfaced in that U Boat proving that what he saw years ago wasn't just his imagination This chance encounter eventually serves as the catalyst to a 30 year investigation where George and his associates will discover a horrifying and insidious truth many members of The Third Reich refused to allow their cause to be vanquished even after Germany's defeat in WWII With a fascinating mix of historical fact and fiction The Volsung Project captivates with twisted and suspenseful intrigue and espionage leaving a lingering What if long after the last page is turned *The Ring of Truth* Roger Scruton,2017-11-21 Nothing in opera is grander than The Ring no work more suited to the deep reading the writer gives here Opera News Richard Wagner's Ring of the Nibelung is one of the greatest works of art created in modern times and has fascinated both critics and devotees for over a century and a half No recent study has examined the meaning of Wagner's masterpiece with the attention to detail and intellectual power that Roger Scruton brings to it in this inspiring account The Ring of Truth is an exploration of the drama music symbolism and philosophy of The Ring from a writer whose knowledge and understanding of the Western musical tradition are the equal of his capacities as a philosopher Scruton shows how through musical connections and brilliant dramatic strokes Wagner is able to express truths about the human condition which few other creative artists have been able to convey so convincingly For Wagner writes Scruton the task of art is to show us freedom in its immediate contingent human form reminding us of what it means to us Even if we live in a world from which gods and heroes have disappeared we can by imagining them dramatize the deep truths of our condition and renew our faith in what we are Love death sacrifice and the liberation that we win through sacrifice these are the great themes of The Ring as they are of this book Scruton's passionate and moving interpretation allows us to understand more fully than ever how Wagner conveys his ideas about who we are and why The Ring continues to be such a hypnotically absorbing work Scruton's presentation is grounded throughout in a deep understanding of the culture of Wagner's era the writing is clear and persuasive Library Journal starred review A fascinating and valuable study Sunday Times *The Beasts of Valhalla* George C.
