The field is covered with a dense carpet of small blue flowers. In the background, there are several tall, thin tree trunks and a dense canopy of green leaves. The overall scene is peaceful and natural.

Abundant Living the sequel to **Victorious Living** continues the journey toward extraordinary life through trusting God and self surrender Written in 1942 by one of the greatest Christian leaders of the day experience this classic devotional with a new foreword by Leonard Sweet *A Collection of Meditations and Devotions ... By the first Reformer of the Devotions in the ancient way of Offices (Susannah Hopton); afterwards reviewed and set forth by the late learned Dr. Hickes. Published by N. Spinckes, M.A. Susannah HOPTON, 1717*

Victorious Living E. Stanley Jones, 2014-10-21 E Stanley Jones wrote **Victorious Living** in 1936 to respond to inquirers who had come to him morally and spiritually defeated They were inwardly beaten thus outwardly ineffective The book responds with individual and social emphases and goes step by step as if on a ladder to work through the pressing questions of the inner life and how it extends outward How do we achieve a life evidencing the peace that passes understanding even in ourselves let alone passing it on What makes the difference between ordinary living and extraordinary victorious living How can we build a new inner strength that shines through in our outward character and relationships Our own efforts to rise above are ineffective but by applying the power of God's Word we can close the gap between our reality and our beliefs Each daily reading offers essential truths and eternal principles keys to victorious living in the circumstances we encounter every day Now this vibrant work is making a long deserved comeback with a new foreword by Leonard Sweet
