My Name is Joe LaVoie W.A. Winter, 2022-08-16 Minneapolis 1953 A wild crime spree stuns the Upper Midwest leaving a trail of blood and betrayal that terrifies a region and shatters the family at its core. Thirty-eight years later the tattered remnants of the notorious LaVoie crime family—sisters, brothers, and children too young to remember or understand—gather for an edgy reunion in a Minneapolis suburb. Among the guests is Joe LaVoie, sole survivor of the fraternal gang behind the 50s bloodshed, a convicted cop killer crippled by a police bullet during the final shootout. Now an old man facing his own death, Joe is both desperate and terrified to learn the cause of his family's demise. Was it the abject poverty they were raised in, their abusive alcoholic father, some kind of inexorable curse, or the unthinkable treachery of one of their own? Only by confronting the family's tortured ghosts and reckoning with the part he played in its violent past will he ever learn the truth. Inspired by actual events, *My Name Is Joe LaVoie* is hard-boiled crime fiction expertly woven into a tragic family saga told by Joe LaVoie himself.

They Called Him Joe Al Long, Tad Allen Long, 2008-04 Rarely does one have the opportunity to take a journey through someone else's life. Especially a life that witnessed some of modern history's most significant events. Imagine someone who lived during the sinking of the Titanic, the first radio broadcast, man landing on the moon, and the introduction of the Internet, not to mention both World Wars and at least a half dozen other major military conflicts, all in a single lifetime. The life experience of George W. Huff, Joe were every bit as varied and colorful as the changes in the world around him. Come along as the stories unfold, one after the other, decade by decade. Witness first-hand how God orchestrates an extraordinary series of events through the life of an ordinary man, just as He did so often with people of the Bible. Joe describes in his own words, recorded years before his death, how God protected him, time and time again, forgave him of his transgressions, and transformed his life into one of service, resulting in a legacy that would last for all eternity.

The Case to Impeach and Imprison Joe Biden Mike McCormick, 2023-12-19 The Case to Impeach and Imprison Joe Biden is author Mike McCormick's eyewitness account from six years as Joe Biden's White House stenographer, traveling with him to Ukraine and Honduras and many other countries. During this assignment, he found the vice president buffoonish.

and un-presidential McCormick who made national news in April 2023 by revealing he submitted evidence to the FBI that would impeach Joe Biden confirms that he was interviewed extensively about his knowledge of Biden's corruption and evil by investigators from the House Oversight Committee and the Senate Homeland Security Governmental Affairs Committee. McCormick ultimately recognized the crimes that then Vice President Biden perpetrated in his dealings with Ukraine and Honduras only after receiving a verified copy of the Hunter Biden Laptop. By cross-referencing materials in the Hunter Biden Laptop with President Obama's White House website and congressional testimony by Joe's co-conspirators plus his own recollections, McCormick weaves a devastating timeline that pinpoints Joe Biden as the mastermind of a kickback scheme with Burisma Holdings that enriched him and Hunter Biden. Also detailed in this book is Joe Biden's treasonous Alliance for Prosperity which funded cartel-affiliated cocaine smugglers in the Honduran government who were then under investigation by the DEA with hundreds of millions of US taxpayer dollars. McCormick courageously identifies US government officials who assisted Joe Biden in his evil schemes including then President Barack Obama. And McCormick names the journalists who continue to cover for the Obama-Biden corruption. Despite all the evidence he has not yet been asked to testify under oath about what he saw. That's why he's written this book.

Mike and Joe Michael L. Schuh, 2008-10-17 A wonderful story about another boy, Mike, living in the hills of Tennessee. A young boy who befriends Joe, a lad greatly abused by his father until one day, after tragic circumstances, Mike's parents adopt him to be Mike's brother. Joe is a very special boy, loving and kind, an angel on Earth. Maybe for he does knowingly sacrifice his own life to help any animal in the wild that he sees in distress. Having no fear of wild cats, bears, or boars, as he moves in close to help them. This is a very loving, very moving story that will be loved by all. Told in rhyme, it just flows from page to page, showing clearly one event in these boys' lives after another until they become young men, then their lives take different directions, with Mike going to fight for his country as a marine in the Korean War, Joe staying behind.

Secretly, Luna Clark may lust after Joe, but she's made it clear that she's too smart to fall for him. He can just keep holding his breath, thank you very much.
