Experiencing Acupuncture John Hamwee, 2020-04-21 Illuminating the considerations at play in determining courses of treatment in acupuncture this honest depiction of nine accounts of unique cases shows how changes can happen how the practitioner makes choices in the moment and why the patient's collaboration and commitment are vital Hamwee shows how being attentive to all aspects of patients lives uncovers the conditions for healing and how it affects the responses of both patients and practitioners in pursuit of health and wellbeing It does not simply treat acupuncture as concepts and techniques but rather as a remarkable journey of the body mind and spirit An honest depiction of nine accounts of real life cases such as back pain chronic fatigue depression and irritable bowel syndrome the book describes the experience of acupuncture through the eyes of both practitioners and patients

Intuitive Acupuncture John Hamwee, 2015-09-21 The role of intuition is seldom identified in acupuncture training as one of the keys to effective practice John Hamwee here explores its paramount importance in diagnosis and treatment showing how development of the intuitive sense and its appropriate use in the treatment room is vital to building the most effective individual practice Through discussion of theory clinical example and the experiences of leading acupuncturists the author shows how intuition or the grasping of subliminal clues can be developed based on the practitioner's growing storeroom of clinical experience and why it is so useful for this to become a conscious and rigorously examined process He discusses the process of testing intuition against objective observation of the patient and how an intuitive leap can provide a shortcut across an innumerable series of diagnostic steps and lead to diagnostic and treatment decisions that make complete sense of the observable phenomena He suggests that learning to trust the intuitive faculty while still fully interrogating conclusions is the basis of better patient outcomes and significantly advanced practice This thoughtful and engaging book will be one that acupuncturists will want to read and reread and will speak to all therapists counsellors and health practitioners

Your Body's Brilliant Design Karen M Gabler, 2017-06-20
Want to know the key to eliminating chronic pain from your life It's not more rigorous exercise medical interventions or expensive therapies It turns out you have had the key all along your body and its natural brilliant design For years we have been

overlooking a crucial element of the body fascia that holds the key to allowing you to live pain free Many of us think of the human body as a static mechanical system of muscles attached to a skeleton What is missing from this picture is the tissue that unites all the parts the fascia a seamless web of dynamic connective tissue that surrounds all muscles bones organs and even cells When one part of the fluid fascial web moves the rest of the body responds When we learn how to connect to this system through subtle movements we open up a world of understanding of how our bodies are designed to work with us not against us to support an easy and pain free life This book will teach you how to feel and embody this new anatomy by connecting to your dynamic center of gravity or the Core Hug and to a vertical line of muscles and fascia that runs deep through the body the Vertical Core When you connect to the Core Hug and the deep Vertical Core using movement your body is able to suspend itself and sustain that suspension over time Your body is already brilliantly designed to support you The architecture is within you The key is to access that brilliant design and work with it Through stunning imagery and simple movement techniques this book teaches you how to use the natural architecture of your body bones fascia and movement to align balance and support you so that you can move with ease and live without pain

The Spirit of the Organs John Hamwee, 2017-09-21 12 stories each depict a different organ of the body and illustrate how they are traditionally understood in Chinese Medicine The author shows that an appreciation of what the Chinese call the spirit of the organs leads to more effective treatments of both common and unusual conditions
